We take on the task of your digital & social media marketing from your busy workload leaving you to do what you do best!

What we do

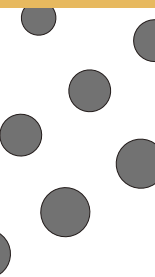

B2C

Specialising in working with small to medium sized businesses, we create engaging content promoting social brand presence and growth.

Our Approach

We work on your behalf creating & posting content, and interacting with your followers.

No longer will you need to come up with new content each day and find time to manage your feeds, we do all this for you.

What We Offer

Social Media Audit

Social Media Strategy

Content Creation

Management of Interactions

Creation & Management of Paid Adverts

Influencer Management

Direct Email Marketing

Blog Writing

Website Content Updates

How We Do It

We fit seamlessly into your business – our voice is your voice.

Using the Social Media platforms directly and a suite of third party apps, we post for you and interact with your customers on your behalf.

Performance metrics are supplied to analyse growth.

Adaptability is key, social media is continuously evolving!

Our Costs

Audit £250

Strategy £250

Weekly fees:

Strictly Social £125

Fully Digital £200

Fully Digital + £250

Please see our data sheet for the full break down of each product.

“

Our social media platforms have never looked so good - quick responses, great design. I highly recommend Reszo if you are looking to update and promote your business!

”

“

If you want your time released more on developing your business & have very little time spent on social platforms & still see progress, plus have a trustworthy company to hand it to, then Reszo is Ace! They can be your hero!

”
