

2025 SPONSORSHIP PROGRAM

The Pelham High School Band Corporate Sponsorship program is intended to help the Pelham High School Band fund capital purchases such as instruments, uniforms, equipment trailers, etc. The second purpose is to help students fundraise to offset the costs of Band Fees. Band students and families are encouraged to seek out financial support from businesses to serve these purposes. Donations made to the Pelham High School Band for these purposes are considered tax-deductible donations. Fifty percent (50%) of funds received from "Member Sponsorships" will be applied as a Fundraising Credit towards a student's band account to help offset the cost of Band Fees. The other 50% of funds received from "Member Sponsorships" will be applied to the operations budget of the band as well as to fund capital purchases such as instruments, uniforms, or an equipment trailer. The cost to administer the program will be covered by the band booster portion of funds received, such that the student receives 50% Fundraising Credit for "Member Sponsorships." For each sponsorship, the attached form should be completed and payment should be made in the form of a check made to the Pelham High School Band. All donations and levels of sponsorship are on a yearly basis and are good from January 1 (2025) until December 31 (2025).
