

SMART MUSIC EXPECTATIONS & GRADING POLICY:

- Students are expected to use Smart Music as a practice resource as well as to complete required assessments. These assessments will be announced on Monday of the week they are due in Google classroom.
- Practicing while utilizing Smart Music will create greater success when completing Smart Music assessments for a grade.
- Smart Music assessments must be completed by the required date. Late submissions are subject to a decrease in grade.
- Smart Music assessment grades are not final until verified by Mr. Henson.
- Students may practice with the recordings of their part, band accompaniment, and metronome, but will be required to TURN OFF their part when completing an assessment.
- Smart Music Grading Scale:
 - If a student does NOT attempt the assessment a grade of 0 (zero) will be given.
 - All Smart Music assessment grades will be scaled to the following grade and will be inputted in INOW as stated below.
