

## Planner: Academic Year 2026-27

Aren't we excited to begin the new academic year with an infectious zeal and enthusiasm?

A year awaits where we not only grow biologically, but also intellectually and would be better off than what have we started with.

Here's a list of all that's lined up for our students.

#### Note to parents

Yes, it's an exhaustive list – we've hit a half century of points!

Yes, it's a tentative list – but we'd make efforts to stick to this schedule.

Yes, some events are missing – taekwondo, scouts and guides camp etc. We'd conduct them too.

Yes, we will continue to give loads of holiday homework – both during summer and winter break.

Yes, we want every student to speak on the stage – we'll use every opportunity and you should too!

Question to the students. How to make most of the fee being paid by your parents?

Answer from the principal. The cheat code in the form of a 5-liner -

***Mark the school calendar,***

***Go with the flow,***

***Participate in all the activities.***

***Then on 02 Apr 27, you would be***

***Better than you were on 02 Apr 26.***
