## "REMEMBER" SINGLE

"CYNTHIA CATANIA HAS RELEASED A NEW SONG 'REMEMBER', AND A BEAUTIFUL VIDEO TO MATCH. A FORMER MEMBER OF SAUCY MONKY AND ALSO FRONT-WOMAN WITH THE SECRET THINGS, THE LA-BASED CYNTHIA HAS LATTERLY BEEN FOCUSING ON HER WORK AS A SOLO ARTIST." - HOTPRESS MAGAZINE

Former Saucy Monky Cynthia Catania Releases Powerful Single 'Remember' About Her Days In The Band

Last year's great adventure had Catania kickstart a long-awaited solo career. Her first single "Phones" was released worldwide in July '19, paired with a captivating video, again directed by Sue Ann Pien. September had her returning to Irish shores for a string of shows and radio performances including the popular *Arena* (Radio1/RTE network). After her solo dates, she met up with ex-bandmates

and international singer-songwriters Annmarie Cullen, Naimee Coleman, Sylvie Lewis and drummer Adam Marcello (Katy Perry, American Idol) for shows with the *Songwriters On Tap* collective. "Sidelines" Cynthia's first single of 2020 was released just before the coronavirus crippled the music biz and world at large. Six months into the "new normal" she dropped her latest single "Remember" (August 5th, 2020) "Remember" received its debut spins on "Late Date- RTE Radio 1".
