Founder & Host of Time for Chats

Thank you so much for reaching out about having Time for Chats at your upcoming event!

I created Time for Chats in 2022 after hearing a common complaint from married friends: their guestbook was rarely used, and when it was, the messages felt a bit lackluster. As a journalist, I wanted to bring a modern twist to the traditional guestbook—something that truly captured the essence of the celebration.

With more than eight years of experience in Australian media, including work with Nova, Southern Cross Austereo, and the KIIS Network, along with writing for Yahoo News Australia, I have a deep understanding of how to craft stories that matter. The best part of Time for Chats is how it helps capture the heartfelt, funny, and unforgettable moments from an event—moments that can be cherished forever.

It's not often we take the time to share just how much we love and appreciate one another. That's exactly what makes Time for Chats so special: it allows you to collect memories that will stay with you long after the event.

Looking forward to connecting soon.

YOU HAVE QUESTIONS

Q: What is a live video guestbook?

A: Its a video of all of your guests leaving heartfelt, funny, and beautiful memories of you, your relationship, your friendship or your event so you can have the memories for a lifetime.

A: We ask all the questions for you! In the pre-meeting, we'll get more information on your relationship, business or event and ask your guests about anything and everything!

Q: What types of events will you cover?

A: We have been to weddings, 94th birthdays, hair conferences, fashion launches and even an end of year gym party.
