IS CREDIT REPAIR LEGAL?

Credit Repair is 100% legal, and it works because of the law.

The Fair Credit Reporting Act gives you the right to dispute any item on your credit reports. If an item cannot be verified, it must be removed.

This will immediately boost your credit score. Even accurate negative items can often be removed or negotiated away.

How Much Money Can I Save With Great Credit?

If your credit score is **760** and you buy this **\$200,000** home with a **30** year fixed loan at **4.02%** interest, your payments will be **\$963** a month, and you'll pay **\$146,734** in total interest.

But if your credit score is **620**, your monthly payment will be **\$1,155**, and you will pay **\$216,110** in total interest. With bad credit, you will pay **\$69,376 more** for the very same house!

IS THERE A GUARANTEE?

Most people see positive results within 90 days. If the inaccuracies do not come off within 180 days, we will refund 100% of the total amount you have paid.
