During each service visit, we check the pool's vital chemical levels and add the appropriate chemicals.

A chemical history will be recorded in our route log, creating a permanent record of your pool's chemistry.

A time-stamped photo will be emailed to you following each service week.

Since billing is monthly, you receive four (4) extra free service days to cover holiday weeks (Thanksgiving, Christmas, and New Year's) or an occasional sick/vacation day.

An Annual Conditioning Fee of \$99.00 is charged each January.

Algaecide and phosphate remover are not included in monthly service fees.

The owner or property agent is responsible for adding water to the pool.

Billing statements are emailed on the 10th of each month for the following month's service.

Late fees of up to \$15 will be applied until the balance is paid in full.

Thirty (30) days' notice is required for service cancellation.

Terms and conditions are subject to change.
