Leave Only Footprints

When you visit, please help us balance a healthy ecosystem for wildlife with your fun beach experience.

DO NOT WALK ON SAND DUNES

Sand dunes act as barriers to protect the mainland against high waves and storm surges and provide habitats to some wildlife.

REMOVE ALL BELONGINGS FROM THE BEACH EACH DAY

Doing so prevents them from being swept into the water and keeps our beaches clear for nesting sea turtles and rescue personnel.

DO NOT DIG LARGE HOLES IN SAND

Holes are hazardous to sea turtles and other beachgoers. Large holes also become a hazard to our first responders during rescues.

KEEP PETS OFF THE BEACH

While pets are welcome at many places in Gulf Shores and Orange Beach, they are prohibited from our beaches.

AVOID USING BRIGHT LIGHTS AT NIGHT

Avoid flashlights or flash photography at night, as the light can disorient nesting sea turtles. Stop by one of our Welcome Centers to get red stickers to cover your phone flashlight or hand-held flashlight.

RECYCLE

Recycle when possible and use eco-friendly products such as reusable bags and refillable water bottles.

Beach Flag Warning System

Beach warning flags are posted at all public beach areas in Gulf Shores, Orange Beach, and Gulf State Park. Conditions are monitored throughout the day. Please remember that the absence of red flags does not assure safe conditions.

MEDIUM HAZARD

Moderate surf and/or currents

MARINE PESTS ARE PRESENT

Exercise caution

HIGH HAZARD

High surf and/or strong currents

WATER CLOSED TO THE PUBLIC

It is illegal to enter the Gulf of Mexico within the corporate limits of either city when two red flags are displayed.

DOLPHINS ARE CONSIDERED ONE OF THE WORLD'S SMARTEST ANIMALS.

THEY ARE ALSO KNOWN FOR THEIR PLAYFUL ANTICS.

STARFISH

A starfish isn't actually a fish. It is an echinoderm and related to sea cucumbers and sea urchins. They can live up to 25 years.

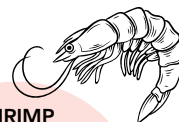

JELLYFISH

Still not a pleasant experience, a sting from one of our coastal jellyfish is relatively mild, compared to other species.

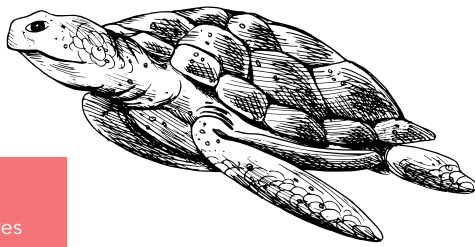

DOLPHINS

These cool social creatures have a lifespan reaching up to 50 years.

SHRIMP

These tiny crustaceans eat parasites and remnants of food from the mouths of fish.

SEA TURTLES

Sea turtles visit our shores May to October to lay their eggs. If you spot a turtle or nest, don't disturb it. Report a nest or injured sea turtle to 1-866-SEA-TURTLE.

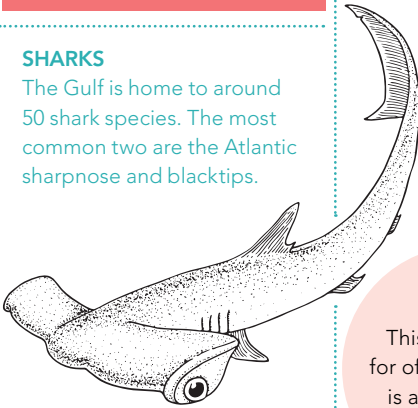

SAND DOLLARS

The white and flat sand dollars you see on the beach are dead. If you see one that is purple or brown and has hairs or bristles, it is still alive. Please don't pick up the live ones.

SHARKS

The Gulf is home to around 50 shark species. The most common two are the Atlantic sharpnose and blacktips.

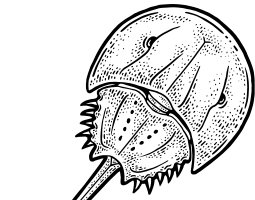

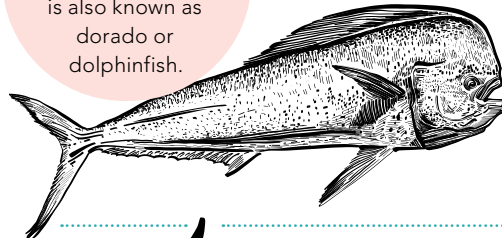

MANTA RAYS

With an impressive wingspan of up to 23 feet, manta rays also have the largest brain-to-body ratio of any living fish.

MAHI MAHI

This popular fish for offshore anglers is also known as dorado or dolphinfish.

ATLANTIC HORSESHOE CRABS

These old timers have been around for 445 million years, making them an older species than even the dinosaurs.

WHALES

Several whale species migrate through the Gulf; however, sightings near the shore are uncommon.

MINI GOLF IS MAX FUN

Perfect for relaxed forget-the-score family time or serious bragging rights competition alike, mini golf courses are plentiful in Orange Beach and Gulf Shores. Putt for the win with a pirate-themed course, an erupting volcano, or indoor glow-in-the-dark dinosaurs.

BLAST FROM THE PAST

Local waters are peaceful now, but when **Historic Fort Morgan** was built between 1819 and 1833, times were different and a coastal defense was needed. The fort, along with Fort Gaines on nearby Dauphin Island, played a key role in the pivotal Battle of Mobile Bay in 1864.

SPLASHING AROUND

A favorite for many years, **Waterville USA** has added more fun for families. In addition to the popular waterpark slides, wave pool, escape rooms, and mini golf, now you can also show off your skills with the Topgolf Swing Suite and Splash-N-Strike Bowling.

PLAY THE WHARF

Located on Canal Road at the foot of the Beach Express bridge, **The Wharf** is a premier Entertainment District. Enjoy shopping, dining, entertainment, and a full-service marina. See it all from the top of one of the tallest Ferris wheels in the Southeast.

ON TRACK FOR THRILLS

Hold on tight, and maybe let out a scream or two! **The Track Family Fun Park** is filled with white-knuckle thrill rides from the Skycoaster and Spinning Coaster to go-kart rides, mini golf, bumper boats, bumper cars, and mild-not-wild kiddie rides.

UP, UP, AND AWAY

Change your point of view in a big way when you book a helicopter or gyroplane tour of the coast. Buckle up and get ready to see our waterways, sandy beaches, and nature from the sky. Pics from this trip are guaranteed to make your friends at home a bit jealous.

STORIES TO TELL

Visit the **Gulf Shores Museum** and **Orange Beach History Museum** for cool history lessons. Venture to Foley for the **Holmes Medical Museum** and **Depot Museum**, or Pensacola for the **National Naval Aviation Museum** and Mobile to tour the **USS Alabama Battleship**.

“The view from the air is breathtaking, and one you will never forget. If you enjoy a fun adventure or dream of taking one, Alabama’s Beaches has one waiting for you.”

SARA BROERS | TRAVEL WITH SARA

On the Water

COASTAL ALABAMA BACK BAY BLUEWAY

The siren song of our area waterways sure is tempting. Answer the call and go kayaking on the four trails known as the **Coastal Alabama Back Bay Blueway**. Paddle your pick. See history and nature on the Fort Morgan Trail, go kayak fishing on the Little Lagoon Trail, explore Gulf State Park, or paddle around Robinson and Bird Islands on the Orange Beach/Wolf Bay Trail.

Don't have a kayak? Local businesses are ready to drop off equipment either at your lodging or launch site. Guided kayak tours with **Wild Native** are available for a unique journey into Alabama's coastal bayous and bays. Or beat the heat with a nighttime neon light party tour to Bird Island with **Sea View Tours** and paddle on clear glowing kayaks.

CRUISE WITH CETACEANS

Catch a glimpse of cetaceans at play in our waters. That's right—cetaceans, the scientific order that includes dolphins. Onboard one of the many local cruises, you can watch playful dolphins jump from the surf while the captain shares important information.

COME SAIL AWAY

Viewing a coastal sunset is a must-do on your Alabama's Beaches vacation. And one of the most amazing places to experience one is on the deck of **Sail Wild Hearts**. Other options include daily dolphin cruises and special sailings to see the Blue Angels in flight.

PONTOON IN PARADISE

Local boat rental companies offer floating fun on popular pontoon boats. Captain your own journey, or go for the option that includes a captain. Explore back bays and islands, and then dock for lunch at boat-friendly locations along the Intracoastal Waterway, bays, and coves.

ABOVE THE WAVES

When the wind catches the parasail and lifts you from the boat into the air, your heart races with excitement. Suddenly, the waves seem small below you, and the coastal view spreads out in front of you. Seeing the Gulf this way is a must-do adventure.

WHAT'S SUP WITH YOU?

Here in Gulf Shores and Orange Beach, you can choose from calm inland waters or the action of the Gulf of Mexico for your stand-up paddleboard experience. Bring your own board or rent one from local providers, many of which will deliver to your location.

IT'S A DIVE

We're a popular place for fun on the water and also beneath the waves. Dive sites off the Alabama coast are part of the largest artificial reef program in the United States. For an experience closer to the surface, strap on a snorkeling mask and fins.

5 Local Courses

FROM A LINKS-STYLE COURSE RECOGNIZED AS ONE OF THE BEST IN THE STATE TO AN ARNOLD PALMER DESIGN. IT'S TIME TO GOLF THE ALABAMA GULF COAST.

1 KIVA DUNES RESORT

Even experienced golfers will find Kiva Dunes an ambitious test, with holes such as the iconic 17th providing one of the toughest tee shots along this stretch of coast. A shot of 215 yards from the back tees across the water is required and will play an integral role in your scorecard.

2 PENINSULA GOLF & RACQUET CLUB

Located along the Fort Morgan peninsula, the aptly named Peninsula is consistently voted one of the “most memorable and enjoyable” courses in the Southeast by *Golf Digest*. Enjoy 27 distinctive holes, each perfectly manicured and offering a unique challenge.

3 CRAFT FARMS GOLF RESORT

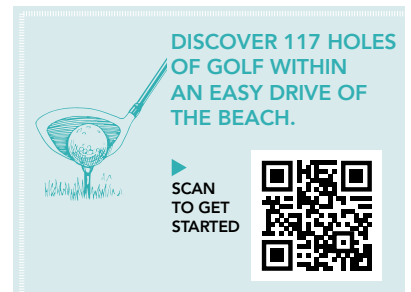

With a championship challenge at over 7,000 yards from the back tees, it’s no surprise that even the best golfers find this to be a difficult prospect. Like many other Palmer-designed spots, there are a number of “risk-reward” holes on the Cotton Creek and Cypress Bend courses.

4 GULF SHORES GOLF CLUB

Enjoy breathtaking panoramic landscapes and the occasional sighting of local wildlife while playing 18 challenging holes. Accuracy is critical as you make your way around the course, especially with the plethora of water hazards that will likely attract your golf balls.

5 ORANGE BEACH GOLF CENTER

If you are looking for an affordable golf course where you can work on your game at a lighted driving range before venturing out on a 9-hole, par 3 course, this is the perfect location. With both grass tees and mats at the driving range, golfers can enjoy practice in all conditions.

Recipe

CHEF JOE'S SHRIMP & GRITS

Now retired, *Original Oyster House* former owner and chef Joe Roszkowski personally developed many of the flavors families have feasted on at the restaurant.

Ingredients

2 lbs 21-25 ct. shrimp, peeled with tails and heads removed
1 cup of unsalted butter, melted
2 tbsp Joe & Dave's YaYa Spice
3 cups of water
1 tbsp of unsalted butter
1 tsp of salt
1 cup of instant grits
8 oz. of American cheese

Directions

Blackened shrimp

Heat a heavy skillet to medium high. Thread seven shrimp per skewer and brush one side of each skewered shrimp with melted butter. Sprinkle each buttered skewer with YaYa Spice, coating that side of the shrimp. Place seasoned side of skewer in hot dry skillet. Brush butter on top side of skewered shrimp while cooking, and coat with YaYa Spice. Flip skewer after 2-3 minutes and cook other side for 2-3 minutes.

Cheese grits

Bring water to a boil; add butter, salt and grits. Cook for five minutes. Remove from heat and stir in cheese. Place a serving of cheese grits and a shrimp skewer on each plate.

Tasty Trails

THE SHRIMP TRAIL

With so many ways to enjoy shrimp on the Alabama Gulf Coast, we recommend you start early and keep going all day. At **Ruby Slipper Café**, indulge for breakfast with BBQ shrimp and grits, served with a buttermilk biscuit. Go big at **King Neptune's Seafood Restaurant** with the Royal Red shrimp platter. Or go to **Mikee's Seafood** for all-you-can-eat fried Gulf shrimp.

THE CRAB TRAIL

On a sandwich, in a dip, or with eggs Benedict, go ahead and get crabby when ordering your next meal. Sit on the outside deck at **Sea-N-Suds** and dig in with their crab claws dinner. Go for the blue crab dip from **Ginny Lane Bar and Grill**. For breakfast, try eggs Benedict with crab cakes at **Kitty's Kafe** or soft-shell crab bennies at **Brick & Spoon**.

THE BURGER TRAIL

It just wouldn't be paradise without the perfect cheeseburger. At **Bleus Burger** take your taste buds for a ride on the Highway 61 burger with applewood-smoked bacon and candied jalapeños. **Tiki & Raw Bar by Barometer** serves up a legendary classic with all the toppings. Tune in for the fried green tomato on the Jukebox burger at **Sunliner Diner**.

TWO DESSERT TRAILS

Pace yourself and save room for dessert with two trails to explore for bread pudding and Key lime pie. The hot now light is on at **LuLu's** with the Krispy Kreme bread pudding. At **Cobalt**, ask about the daily special. For a tart treat at **Cosmo's**, order the Key lime pie with strawberry coulis. Go nontraditional with Key lime pie truffles from the **Chocolate Corner**.

Dining Afresco

With these alfresco dining spots you can enjoy a coastal breeze with your meal.

ON THE BEACH

Uniquely constructed with blue shipping containers, **The Gulf**, located at the foot of Perdido Pass Bridge, is a laid-back self-service restaurant with a sandy beach area, casual seating, and stunning views of the pass and Alabama Point.

Dine just steps from the beach at **COASTAL Orange Beach**, which includes an open-air green space with live music and an outdoor bar. Whether you are staying at The Lodge at Gulf State Park or not, you can still enjoy a relaxing beachfront meal at **Foodcraft**, where the wraparound deck provides for unrivaled beach scenery.

A staple for decades, the iconic **Pink Pony Pub** in Gulf Shores dishes up delicious fried seafood and cool cocktails on the deck overlooking the Gulf.

BACK BAY VIEWS

Across from the Gulf on Old River, with views to Ono Island, **Flora-Bama Ole River Grill** and **Flora-Bama Yacht Club** both provide plenty of outdoor seating whether you arrive by car or pull up in your boat. Located at Zeke's Marina on Cotton Bayou, **Zeke's Restaurant and Landing** offers a gorgeous outdoor dining and bar area.

Sitting on the waters of Terry Cove at **Avenue Pub** somehow makes the smoked tuna dip and grouper tacos taste even better. Order a blonde bushwacker to complete the experience. Overlooking Wolf Bay, **GTs on the Bay** serves up craft beer, stone-hearth pizza, and their famous fresh salad bar with plenty of relaxing views from the patio.

BACKYARD VIBES

Just like the perfect family and friends get-together, you need a fun gathering spot. At **Woodside Restaurant** in Gulf State Park, you can enjoy your meal on the deck, around a firepit, or under the trees at a picnic table. Speaking of picnic tables, you'll find plenty on the deck at **Picnic Beach**, where you can relax with a coastal breeze.

Capture that backyard feeling at **Moe's Original BBQ** in Orange Beach, which features both an outdoor deck and a sandy area with picnic tables and a stage for live music. Add a pedal boat adventure on Little Lagoon to your stop at **High Tide Daiquiris & Mimosas** in Gulf Shores.

Live Music

SOUNDS & SIPS

Truly a Gulf Coast landmark, the **Flora-Bama** features daily live music from top regional and national acts. Located at The Wharf, **Sandshaker** has live music on Wednesdays, Fridays, and Saturdays and hosts karaoke every Tuesday and Thursday.

Get comfortable on the deck at **Icehouse Tap Room** and select from 24 beers on tap while you jam out. At **COASTAL Orange Beach**, an outdoor lounge area and tables are arranged in front of the stage. The atmosphere is laid-back at **Big Beach Brewing Company** in Gulf Shores, where good friends, craft beer, and live music make the perfect night.

BEATS & BITES

In the heart of the action, **The Hangout** puts the spotlight on local bands and singers on their outdoor stage. Complete with activities for the kids, **LuLu's** serves up fantastic food and a nightly lineup of music. Time your visit for sunset, grab a cocktail, and enjoy local and traveling musicians at **OSO at Bear Point**. Or pick from the three locations of **Tacky Jacks**—Gulf Shores, Orange Beach, and Fort Morgan—for more great live music and another opportunity to showcase your karaoke skills.
