Please anticipate longer wait times for on demand languages of limited diffusion*, and even longer waits for languages of very limited diffusion**. It is best to schedule these languages in advance: coordinator@voicesforhealth.com

Languages listed may belong to a language family and all languages, dialects or spellings may not be listed. This list is subject to change, as we continue to add language teams.

Use our mobile app on Apple or Android devices for easy access. Billing starts upon interpreter connection. If all video interpreters for a language are busy, an audio-only interpreter will connect initially, with the call transitioning to video once available.

Audio-Video Recording: Professional talent & technology available for multiple languages

Standard and rush delivery available.

To place a request, email native files to translation@voicesforhealth.com. Please indicate language(s) needed and deadline (if any). Work begins after you approve our no-obligation project quote.

If you need a language that is not on this list, we will recruit a qualified team to fulfill your request.
