

The following information is about our 2022 All-Day Summer Camp. Information about our half day/morning program will be coming soon.

ALL DAY TOBY Camp Basic Information 2022 Town of Bethel Parks and Recreation

- Registration must be done in person due to limited numbers of full-time and part-time slots available for each grade level. Grade level is based on the current grade the child will complete by June 2022. Our ratios of campers to staff are based on grade levels.

- Registration dates will be held at the Bethel Recreation Center located in the Duggan School (3460 State Route 55 White Lake, 845-583-5360) or at the Bethel Town Park (636 Old White Lake Turnpike). Cancellations due to inclement weather will be posted on our Facebook pages. The best way for questions to be answered by Cathy McFadden, since the Parks and Recreation Director is a part-time position, is through e-mail in the evenings bethelnyparksandrec@gmail.com. As this is the off-season, the phone in the recreation center is not checked daily and the park phone is not operational.

- **All Day Camp is 6-weeks, Monday-Friday, from 8 AM to 6 PM.** An early arrival program is available for an additional cost. Camp will begin on Tuesday, July 5th and end on Friday, August 12th. Depending on staffing availability, we may be able to offer an additional week (August 15-19) which would be an additional cost.

- Basic structure of camp: organized and free choice activities until 8:45 AM, from 9 AM to 1:00 PM children rotate through structured areas: STREAM, Sports Activities & Playground (SAP), Creative Arts and Games, and American Red Cross Swim Instruction Levels 1 to 5. There is a time for morning snack (provided from home). After eating lunch (provided from home), children participate in activities, free swim time, maintaining the camp garden, sports and crafts. Special activities, Friday fun days, weekly family nights, a camp talent show and an end of camp BBQ are part of the camp program, too. Since we are a municipal recreation program, not a specialized program or privately-owned day camp, our grounds and facilities, including the pool, are used by the public. The park grounds open to the public at 1 PM on weekdays while camp is in session.

- Children registering for camp must have completed a full-day Pre-Kindergarten program (proof required) and be entering Kindergarten in the fall of 2022 (turning 5 by December 1st) to be able to attend the full day camp program. Although children are accepted through the end of sixth grade, children in grades 4 and older often need a camp program that offers more activities and options than our small facility does. Our behavior policy will be strictly enforced. Also, our camp program may not be able to accommodate youth with special needs as our staff is not trained to handle specialized medical, emotional or behavioral supports; our staff meets the requirements to receive our permit from the NYS Dept of Health. Youth who are 13 or have completed 7th grade may apply to be a CIT (a volunteer position) using an employment application. All registrations require a copy of the child's current immunization record (NYS Dept of Health requirement). For new enrollees under the age of 7, a copy of the child's birth certificate or passport must be presented at registration.

A non-refundable deposit of \$75/child for Bethel residents and \$100/child for non-residents is required at registration (the deposit payment is applied to the full payment of camp). Full payment for camp may be made at registration or partial payments may be made until the balance is paid off. Camp must be paid in full by July 1st.
