Re: Local Law #3 of 2026
Conservation Subdivisions
Planning Board review

Mr. Sturm and Honorable Board Members:

At our regularly scheduled October 5, 2026 Planning Board meeting our board reviewed your proposed Local Law #3 of 2026.

This local law would amend Section 345-24, Conservation Subdivisions, of our current zoning.

After review and discussion of the Local Law it is our recommendation, on a unanimous vote of the board, that you move forward with its adoption.

I trust this letter is acceptable. Should you have any questions, comments, or need any additional information please do not hesitate to contact me. Thank you.

Respectfully:

Daniel Gettel, Chairman
Town of Bethel Planning Board
