Full Steam Ahead

A perfect companion is one that doesn't just value your time but also your effort, and that's what Roxx Secura range of stainless steel pressure cookers offers you. A product with a smooth finish, firm handle and 18/8 food-grade steel.

Tri-ply stainless steel cookware is super-efficient ensuring even heat distribution due to uniformly thick aluminium layer between 2 stainless steel layers and it also improves fuel efficiency. It is easy to hold when food is hot. The sturdy and long lasting food grade stainless steel makes the usage safe and healthy.

Tri-ply stainless steel cookware has the beauty, efficiency and healthy cooking without the demerit of hot spot & uneven heat experience with normal stainless steel cookware.

The three layer Tri-ply stainless steel cookware - The top layer is high performing 18Cr/8Ni stainless steel design for contemporary style and durability. It is non-toxic, stain free and stick resistant cookware.

The external layer is 400 series magnetic steel that allows cookware to conveniently work on Gas, Glass cooktop & Induction cook top.
