

March 1, 2019

To Whom It May Concern:

This year is the 24th year that the Kids Fishing For A Cure Committee has put on a Fun day of fishing and other events for Pediatric Cancer patients and their families.

Each year our committee takes on various projects to raise funds to operate the annual Kids Fishing for a Cure Fishing Derby in Selkirk Park. Over the years, many dedicated volunteers and supporters have made it possible for these children to enjoy a day of fun and fellowship during a very stressful and difficult time in their lives.

We would appreciate any support that you may be able to offer in the form of a donation for our event either monetary or a prize for our silent auction.

The silent auction will be held at the Derby on **Saturday, June 1, 2019** to help offset the cost of putting on this great event

During the history of the Kids Fishing for a Cure Derby, the committee has been able to donate over \$100,000 in gifts and cash to CancerCare Manitoba to support pediatric cancer programs, as well as funding a great day of fishing for the patients and their families.

Please consider this very important project and contact the volunteer noted below if you have any questions or to make a donation.  
Thank you.

Respectfully:  
Dave Girling
