IMPORTANT DETAILS FOR ALL WEDDINGS

Payment:

- A 50% non-refundable deposit and signed contract due at time of booking to reserve date.
- The remaining balance is due 30 days before your event.
- This includes wine purchases, event gratuity and trash/cleanup deposit and proof of insurance policy.

Alcohol:

- All wine for the event must be purchased from our estate winery.
- Beer is permitted for certain packages, but you must acquire a one-day ABC license to do that (we can provide that information).
- It is our typical policy that our tasting room bartenders are responsible for pouring all beer and wine.
- If you are interested in other arrangements for alcohol at your event, we can discuss that during the consultation.
- Virginia Gold follows all Virginia ABC laws and regulations. Please advise your guests to bring their valid photo ID if they wished to be served alcohol, just like they would at a bar or restaurant.

Ceremony site:

- We have multiple options for ceremony sites, and we will specify the one you would like in the contract. Most of them are outdoor sites and in the event of bad weather you might have to use a backup site. This is the case with any outdoor venue unless you want to rent an event tent for the ceremony site.

Reception site:

- Our main orchard pavilion is available for both packages and is a beautiful outdoor venue. Our tasting room is only available for weddings of 25 or less.

Event Timing:

- Entry to the site is specified by the wedding package for set up of the event and will be detailed in the contract.
- All guests must depart from the venue grounds no later than 10pm.

Trash/Cleanup:

- Guests and/or their vendors are responsible for all trash removal and cleanup from the site. There is a \$500 refundable clean up deposit that will be refunded within 7 days of the event pending successful clean up and trash removal by the designated time.

Ceremony Rehearsal:

- Rehearsals for the ceremony are typically the night before and usually an hour. Specifics are outlined for each package.
- For an additional fee, couples can book our tasting room/pavilion and bring in an outside caterer for a rehearsal dinner, in addition to the included ceremony rehearsal itself.

Vendors:

- Outside vendors for tables, chairs, linens, catering, music, floral etc. are permitted.
- We do require a list of all vendors 30 days prior to the event.
- We strongly encourage guests to make sure the vendor either has prior experience working at our site or that they contact us 30 days before the event via email to have any questions answered.
- We do have a list of preferred vendors, who we can recommend.

Day of wedding coordinator:

- A Day of wedding coordinator is strongly recommended; we speak from our own experience and the experience of hosting multiple weddings.
- If a couple chooses not to have one, then a waiver signed by the couple is required, in addition to a designated point of contact for the event day.

Insurance:

- A day of insurance policy is required with details regarding coverage and named parties included in the wedding contract. These typically cost \$75-\$300 depending on the size of your event.

Parking, Transportation and getting around the Farm:

- Parking is provided for all guests, but please be aware we are a farm. Most of our interior roads are gravel and the parking area is grass.
- Likewise, most of the walkways are a combination of gravel and grass so please have your guest plan accordingly.
- Offering shuttle services from the hotel where you have a room block is a nice touch for your guest and we can recommend vendors for this.

Bathrooms:

- Venue rental packages include the use of our two bathrooms in the winery tasting room. There is a family sized bathroom with changing table and handicap rails, as well as a single person bathroom.

General site information:

- We cherish the opportunity to host you on your special day and assure you the site will be looking at its best.
- However, there are many elements of natural beauty that make our farm special and not all of them we have control over. Weather can cause leaves to drop or blossoms to open earlier than expected. Rain can fall and wind can blow. Cold snaps and heatwaves are always a possibility in Virginia. You must be prepared to be reasonable when hosting a semi-outdoor wedding at a farm
- We are a working farm so certain elements of farm work are to be expected.
