Easy on the budget. Easy to ship. Easy to assemble.

Refresh and restyle your retail environment without sacrificing elegance and durability using the new Corman and Associates K-Line Fixtures.

More affordable because they ship flat. More affordable because you have a custom look at standard, in stock pricing. More affordable because they easily assemble without hardware, saving on installation prices.

You really can update your retail space on a minimal budget. You really can Do More With Less with K-Line.

Cost Effective Design Advantages:

- ⦿ Increased merchandise ROI
- ⦿ No hardware required for most pieces
- ⦿ Multiple standard melamine finishes including white, black, grey, almond, maple, cherry and oak or two tone combinations
- ⦿ Paint finishes for easy adaptation to new products or locations
- ⦿ Modular flexibility
- ⦿ Sturdy, durable construction
- ⦿ Adaptable for POP, slots, accessories etc.
- ⦿ Quick ship
- ⦿ Affordable
