Focus Sales Group LLC is an independent manufacturer representative agency serving the foodservice industry across the six New England states. Since our founding in 2012, we have built strong relationships with dealers, distributors, and a wide range of operators including restaurants, hotels, country clubs, corporate and educational dining facilities, healthcare operations, sports and entertainment venues, and regional chains.

We proudly represent a portfolio of premier brands that complement one another, allowing us to provide comprehensive solutions and create unique opportunities for cross-selling. As an award-winning, results-driven team, we are dedicated to delivering trusted solutions and long-term success for our partners.
