2015 High Score Mare Award!

Dear Lori,

Congratulations!

Your mare

Voziena*

received 1st place of all mares from the East Coast in 2015.

Enclosed is the ribbon for your mare. This will be published on our website in the section AWARDS / High Score Mares.

Explanation: if there were ties of several mares, the conformation score was used as tie breaker, followed by the type score.

If we received or will receive a photo of your mare it will be linked to her name on our website and may be published in the next Breeders Journal!

With best regards

Lisa Lamb
