**PROXY STATEMENT
FOR THE
ANNUAL MEETING OF STOCKHOLDERS**

To be held on August 28, 2024

The enclosed proxy is solicited by and on behalf of the Board of Directors (the “Board”) of Horizon Group Properties, Inc., a Maryland corporation (the “Company”), for use at the Annual Meeting of Stockholders (the “Meeting”) to be held on August 28, 2024 at 10:00 a.m., local time, or at any adjournment or postponement thereof for the purposes set forth in the accompanying Notice of such meeting. This Proxy Statement and accompanying Proxy Card are being mailed to stockholders of record on or about July 25, 2024.

If the accompanying Proxy Card is properly signed and returned to the Company and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the persons designated as proxy holders in the Proxy Card will vote in favor of the matter presented in this Proxy Statement, and as recommended by the Board with regard to all other matters. Each proxy executed and returned by a stockholder may be revoked at any time before it is voted by timely submission of written notice of revocation or by submission of a duly executed proxy bearing a later date (in either case directed to the Secretary of the Company) or, if present at the Meeting, a stockholder may elect to revoke his or her proxy and vote shares personally. The principal corporate offices of the Company are located at 10275 West Higgins Road, Suite 260, Rosemont, IL 60018.

The cost of solicitation of proxies will be borne by the Company. The Company may use the services of its Directors, officers, employees and others to solicit proxies, personally or by telephone; arrangements may also be made with brokerage houses and other custodians, nominees, fiduciaries and stockholders of record to forward solicitation material to the beneficial owners of stock held of record by such persons. If any personal interviews or telephone conversations are used to solicit proxies, delivery of this Proxy Statement and Proxy Card will precede the interview or telephone conversation. If as a result of the interview or conversation additional Proxy Cards are requested or required, they will be forwarded to the registered holder as so requested or required.

QUORUM AND VOTE REQUIRED

Only holders of record of common stock, par value \$.01 per share, of the Company (“Common Stock”) on July 19, 2024 (the “Record Date”) will be entitled to vote at the Meeting. As of the Record Date, the Company had 9,798,805 shares of Common Stock outstanding and entitled to vote with respect to all matters to be acted upon at the Meeting. Each holder of Common Stock is entitled to one vote with respect to matters to be acted upon for each share of Common Stock held by such holder. Under Maryland law and the Amended and Restated Bylaws of the Company (the “Bylaws”), the presence of holders in person or by proxy representing a majority of all the votes entitled to be cast at the Meeting will constitute a quorum at the Meeting. Abstentions are considered holders who are present at the Meeting and entitled to vote and are counted for purposes of determining if a quorum exists. “Broker non-votes” are votes represented by proxies from brokers or nominees indicating that those brokers or nominees have not received instructions from the beneficial owners or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary power. Broker non-votes will not be counted for purposes of determining whether a quorum exists. The existence of a quorum will be determined based upon the number of shares held by stockholders present in person plus the largest number of shares represented by proxies in which votes have been cast or as to which authority to vote has not been withheld on any proposal. Accordingly, if a broker has exercised discretionary authority with respect to a proposal or has not withheld authority to vote on all of the proposals, the shares represented by that proxy

may be counted as votes present at the Meeting and the number of shares present at the Meeting will not be reduced by the broker non-votes represented by that proxy on a different proposal.

The election of a Director requires the affirmative vote by a majority of the aggregate number of the shares of stock entitled to be voted whose holders are present in person or represented by proxy at the Meeting. Broker non-votes will not be counted as present on the proposal and will have no effect in determining the outcome. Abstentions will be counted as present and will have the effect of a vote against the Director.

OTHER BUSINESS

The Board is aware of no business before the Meeting other than that specified in this Proxy Statement. If matters properly come before the Meeting, the persons named in the accompanying proxy card intend to vote the proxies in accordance with the recommendation of the Board.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

Certain statements in this Proxy Statement constitute “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. When used in this proxy statement, the words “estimate”, “project”, “anticipate”, “expect”, “intend”, “believe”, and similar expressions are intended to identify forward-looking statements. Such forward-looking statements involve known and unknown risks, uncertainties, and other factors which may cause the actual results, performance and achievements of the Company or industry results to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors include, among other things, the following factors: the successful development and implementation of the Company’s business plan, changes in the real estate market, changes in the factory outlet center market, prevailing interest rates and general economic conditions, the level of competition confronting the Company, the accessibility of the capital markets and other sources of financing for the Company and other factors referred to in this Proxy Statement.

PROPOSAL NO. 1 – ELECTION OF DIRECTORS

Pursuant to the By-laws, the Board of Directors may determine the number of Directors of the Company, which number shall not be less than three. Directors are divided into three classes serving staggered three-year terms of office. The Board of Directors proposes the election of one Director at this Meeting, to hold office for a three-year term or until a successor is duly elected and qualified. It is intended that the accompanying form of Proxy will be voted for the nominee set forth below. If some unexpected occurrence should make necessary, in the Board of Directors' judgment, the substitution of some other person for the nominee, shares will be voted for such other person as the Board of Directors may select. The Board of Directors expects the nominee to be able and willing to serve as a Director.
