SUMMER 2022 ~with Mrs. Julie Saugstad

Summer has just begun ~ it's time to have creative fun! Here are three sessions to jumpstart your imagination while building creative skills. I am excited to begin my 11th year as your K-12th grade Art Educator in Beresford. Once upon a time, I was a child in Beresford that wished for something like Summer Arts. Now, I can make it happen for our community. Small towns are the best place to grow up and have fantastic opportunities like this:

Wednesday dates & activities for 1st-9th grade:

- June 14 Jammin' Jewelry
Play with clay to design ceramic jewelry pendants. Clay can be rolled into spirals, sculpted into mini figurines or stamped with texture. Glaze next week and take home on June 28.
- June 21 Rejoice there's choice!
Tables will be set up as studios with different choices of media. Choose to paint, collage, draw, use pastels OR travel to each table to use the media you need.
- June 28 Draw in Awe
Realistic drawing requires a keen eye. It's not hard or easy, but it does take time. With a few tips, you'll conquer this skill!

See page 3 for a community arts opportunity in conjunction with the Rock Wall concerts!

CALLING ALL ARTISTS!

When there is Farmer's Market and
Wednesday evening concerts in Bulow Park,
gather by the north end of the Lion's Shelter
at 6-7pm for **DRAWN TOGETHER!**

June 14, 21 ~ July 19 ~ August 2

Drawn Together is time for artists to meet and share what they've been creating for feedback from other artists. Meet at the Lion's shelter by Farmer's Market, then scatter through the park to create "en plein air". The French term en plein air means out of doors and refers to the practice of drawing or painting entire finished pictures out of doors. Bring your sketchbook, paints or whatever your creative heart desires. Meet back at the Lion's shelter to share en plein air pieces before the concerts.
