

KHAITE

FW 2024 PRESENTATION

WHAT A SHOW! THE MODELS PARADED AROUND A LARGE GLOSSY BLACK SQUARE IN AN EXPANSIVE DARK ROOM, ADDING DRAMA AND THEATRICS TO MAKE THIS PRESENTATION REALLY FEEL LIKE A SHOW. KHAITE DOES OUTERWEAR INCREDIBLY WELL AND THIS SHOW WAS A PRIME EXAMPLE OF THAT - BEAUTIFUL SHEARLINGS, STRONG LEATHER PIECES, AND THE PERFECT USE OF BURGUNDY PUNCTUATED THE COLLECTION. THE STACKED HEELED BOOT WAS A HIGHLIGHT FOR THIS SHOW, AS WERE THE HANDBAGS. IT'S COLLECTIONS LIKE THIS THAT JUST CAPTURE YOUR ATTENTION FOR DAYS AFTER THE SHOW AND MAKE YOU THINK "I WANT TO BE THAT GIRL." CATE HOLSTEIN HAS CREATED SOMETHING TRULY IMPRESSIVE IN SUCH A SHORT AMOUNT OF TIME, I'M LOOKING FORWARD TO SEEING HOW SHE CONTINUES TO INNOVATE.
