

GABRIELA HEARST

FW 2024 PRESENTATION

THE FASHION COMMUNITY BRAVED THE SHOW TO GET TO BROOKLYN IN TIME FOR THIS SHOW. SHEARLING AND OUTERWEAR WERE PARAMOUNT TO THE COLLECTION WITH INTERESTING PLAYS ON COLOR AND TEXTURE. THIS BROWN TREND ISN'T GOING ANYWHERE, AND GABRIELA'S CHOCOLATE BROWN IS PERFECT.

THERE WERE ALSO SOME EXCELLENT PLAYS ON DENIM. FROM FABULOUS STATEMENT COATS TO PRISTINE TAILORING, IT WAS A REFRESHING TAKE ON AN EVERYDAY FAVORITE MATERIAL. ALL OF THESE STUNNING OUTERWEAR PIECES OCCASIONALLY MADE ME WISH FOR A COLDER CLIMATE...

SIDE NOTE: LOVE A SNACK BAR! IT ALWAYS BRINGS THE SHOW DOWN TO EARTH AND BRINGS THE FASHION COMMUNITY TOGETHER.
