

SLA Water Quality Report

(May 14, 2022)

Dredging

There are no changes to report. Please see the 04/09/2022 Report.

Walker Rd Bridge

There are plans and funding in place to replace Walker Road Bridge (widen & raise. We do not know the timing.

Silver Lake Experience

The multi-day event is scheduled for August 4-7, 2022. Todd Shuskey from Perry High will be speaking on August 4 at 10 am.

Watercraft Inspection Steward

Silver Lake has been fortunate to have a dedicated steward in place at the State Boat launch over the past several years.

Mallory Broda (Program Coordinator & Project Support Specialist, ESF-NYS OPRHP Watercraft Inspection Program) recently reported that our 2022 steward is Jenelle Grigelevich. She will be starting at the launch on Friday, May 27th. This season stewards will be working Friday-Monday 8:00AM-6:30PM. Jenelle will be with us at the launch until Labor Day weekend.

Sewer System

The SLAWQ team will be reaching out to local municipalities to request long range maintenance plans for dams, sewer, FX Brown 1991 and 2014, etc.

Flares

SLA will be offer chemical flares and tart tins for sale in 2022. Battery-powered LED flares will be available for purchase at the Geneseo Wegmans. CLEAN signed a cost share agreement with Wegmans.

Planting Session

We are working with partners from the Wyoming County Soil and Water Conservation District (WCSWCD) to identify a suitable site planting in 2022.

Japanese Knotweed

Over 90% of the funding to implement a chemical treatment program has been raised. WCSWCD, CLEAN, and SLA have contributed.

Letters have also gone out to land owners asking for permission and for a small cash contribution.

Golf Tournament

The Golf Tournament is scheduled for July 30, 2022. Joe Caputo and Frank Bright are serving as main organizers. We will now have a formal committee structure, including Joe and Frank on meals. Ron Norton on golf. Frank Bright on sponsors. Joe Caputo on finance. DJ Starnier on registration. Bob Capurso on advertising. Karen Norton and Bonnie Bright on basket raffle & prizes. Lee Loomis on course food and water.

All tournament proceeds go toward native plant installation efforts within the Silver Lake watershed to help mitigate nutrient influx into Silver Lake.

We ask that each Tract produce a basket for the raffle.

A volunteer sign-up sheet will be available at the June and July meetings.

More details can be found in the Directory and SLA and CLEAN sites and pages.

Temperature Array

A more reliable array is being fabricated for re-installation.

2022 CSLAP Campaign

Everything is in place for the 2022 campaign.

The 2021 CSLAP Report should become available in spring 2022.

Perry Central School Activities

Please see the 04/09/2022 Report. There are supply chain delays holding up some of the new equipment. CLEAN has helped to purchase a few disposable items.

Diver Day

We have been working on securing a new dive team

The next SLAWQ meeting will be on May 27, 2022 at 4 PM.
