

SCHOOL OF THEATRICAL DANCE, EST. 1980

For the last 46 years, we have had the honor and privilege of providing a diverse, inclusive, enriching, and well-rounded dance curriculum in Great Falls and its surrounding communities.

Every step of the way, we provide careful attention to the mastery of each aspect of the performing arts so that at every level, dance becomes the joyful experience it is meant to be.

Our mission is to instill an appreciation for, and understanding of, the synthesis of poetry, music, raw physicality, and the power of being that is dance!
