4. If a 3rd attempt is necessary, teamster will have the choice of direction, given there is ample space provided.

7. If there is a tie in distances, the next greatest distance will be the placing distance.
8. Each teamster will be permitted 2 helpers.
9. Any whipping, line slapping, smacking, kicking, etc. will result in the teamster being immediately ejected from the competition with no distance given for that load.
10. Teamster and helper may not be ahead of the double trees or it shall result in loss of attempt with no distance given for that attempt.
