DELIVERING RESULTS FOR MAYFIELD

Cllr Tanweer Khan

Dear Neighbour,

During a recent canvassing session in the area, residents in and around Staines Road raised **serious concerns about an additional floor being built on top of the Waylands Court flats in breach of planning permission.** We agreed with residents that this was unacceptable.

We immediately took this up with the Council, providing photographs and videos and pressing planning officers to take enforcement action to stop the development.

We are pleased to report that the Council listened. An enforcement notice has now been issued, which means the developer is not allowed to proceed with the illegal additional floor.

Thank you to everyone who took the time to raise this issue with us. We will always listen to residents and stand up for our neighbourhoods when rules are being broken. If you have other local concerns, please get in touch.

In the meantime, you can also help keep Redbridge clean and safe by using the **Love Clean Streets app.** It is the fastest way to report issues like graffiti, fly-tipping, potholes, abandoned cars, dog mess and other street issues using your mobile phone. Any crime or antisocial behaviour can be reported to our local **Safer Neighbourhood Team** on **sntji-.mayfield@met.police.uk**.

If you have any issues please feel free to contact us, we'd be happy to help. Our contact details are below.

Kind Regards,
