## Message From The President

This introduction is difficult to write with the recent passing of a good friend and great leader for SNRA.

RIP John Hunter.

That said, by way of introduction, my name is Lee Davis. My wife Sande and I have a residence here and have been associated with Cal Shasta over 40 years. We have one adult Son and Daughter each with two young children.

I have served on the Cal Shasta Club board twice and for the last two years on the SNRA Board.

We are lucky to have many hard working board members, property owners and residents of the South Nacimiento Road Association. When required they pull together to maintain our roads resulting in a positive effect on the individual areas that make up SNRA.

Communication to all who live in or out of the area is key. Your SNRA board members have worked diligently over the last two years to increase important, accurate and timely information as necessary.

Respectfully, Lee Davis  
SNRA President

## Thank You!
