2.2	New Content on ADMINS.com	2

1 Liquidate a PO With More Than 100 Lines [Fix]

Before the software update, a PO with more than 100 lines could not be liquidated via the PO Rollover process and terminated abnormally. This was corrected, and POs with more than 100 lines can now be liquidated via either the PO Rollover or the liquidate process.

[ADM-AUC-PO-642]

2 Help Reference Library & ADMINS Website Updates

Added the following new or updated content to the Help Reference Library and the [ADMINS.com](https://www.admins.com) website.

2.1 New Content in the Help Reference Library

Year End Processing

PO-760 PO Rollovers

[Updated]

2.2 New Content on ADMINS.com

[How to Update Invoice & Delivery Addresses](#)
