## 1. REVISED BILLS

### 1.1. Reprint / Email [Fix]

Due to a programming error, the revised Personal Property bills were not printing. This error was corrected on affected sites in mid-May and is included here to document the change.

## 1.2. Billing Category Table ▶ No Associated Interest Category [Reminder]

Interest on revised bills was neither being shown on the screen nor printed on the bill reprint. The Billing Category was not properly set up with an association for interest. To access this table, select **Collections ▶ Tables ▶ Billing Category [Associations 3]**.

## 2. ABATEMENTS

### 2.1. Application Date Extended To Ten Years [Fix]

The **application date for abatements** was extended to allow the application date for abatements for up to ~ten years in the past. If the application date is more than ten years in the past, or more than 90 days in the future, an error message will be displayed.

### 3. SCREEN DELAY [Fix]

Some sites with large data sets experienced a delay when viewing screens using scroll bars. The scroll bars were removed from multi-record screens to improve performance.
