PERSONAL PROPERTY TAX

RELEASE NOTES – JUNE 2020

This document explains new product enhancements added to the **ADMINS Unified Community for Windows PERSONAL PROPERTY TAX** system.

1. VISION UPLOAD –ACCOUNTS MISSING VALUES [Enhancement]

ADMINS added a new report to show uploaded accounts that are missing values during the upload of a Personal Property file from the **VISION®** Appraisal system. This report will help match the number of accounts between **AUC** and the appraisal system. Combine the **"Upload accounts with Missing Values"** total and the **Uploaded Accounts** total to match the export count from the **VISION®** Appraisal system.
