## RELEASE NOTES – JUNE 2016

This document explains new product enhancements added to the ADMINS Unified Community for Windows **System Library**.

### 1. DOCUMENTATION

Effective now, a new standard will be used for release notes and help reference cards. When a button to be clicked is referenced, the title of the button will be used surrounded by square brackets [ ]. The intent is to make it easier for users to identify that a button is available for use.

[ADM-AUC-DOC-101]
