# **Tips for GoToMeeting**

- 1. Controls appear when the mouse is moved onto the G2M window
- 2. Slider resizes the viewing canvas versus the attendee's area
- 3. Chat bubble allows for questions
- 4. Camera and zoom controls for screenshots or a closer look

### What Will We Cover?

- How "regular" processing works
- Preparing to use the split processing
- Where to set up the accrued payroll account
- How to post the split payroll
  - Labor/Time (days worked vs. percentage)
  - Benefits (period start, period ending or percentage)
- How to review the labor distribution prior to posting
- This process allows for the posting of expenses, accrued payroll, and cash in two fiscal years.

- Decide on which method to use for Time
- Decide on which method to use for Benefits
- Set up Accrued Payroll Accounts
- Review how employees are paid (hourly vs. salaried)
- Note: Even if not doing a FY split, if the check date is in new FY, & work dates in FY, a GL batch will be created for each year

# **Post Labor Distribution Screen**

# Three options – D, C, or P Hourly vs. Salaried Employees

# Time Split Options

#### D – Days Worked All

The timesheet work date will be used as a basis to post the labor expenses for all employees, both salaried and hourly.

#### C – Hourly-Work Date/Salaried % \*

The *timesheet work date* will be used as a basis to post the labor expenses for the *hourly* employees.

The chargeback percentage will be used for salaried employees.

#### P – Percentage All \*

The chargeback percentage will be used for all employees.

\* Chargeback Percentage is the percentage charged to the Fiscal Year-End date. If chargeback = "0", 100% will be charged to the new year.

B – All benefits will have a *transaction date of the fiscal year-end* and be posted to the *prior* fiscal year

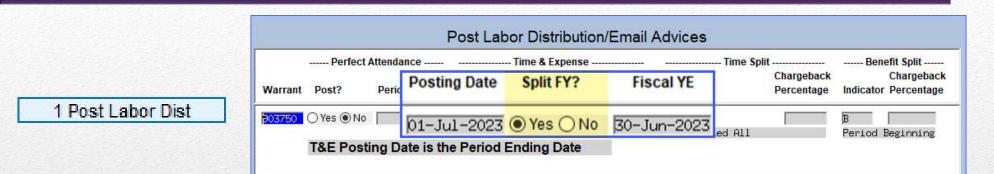

E – All benefits will have a transaction date of the *period ending* date and be posted to the *new* fiscal year

P – A percentage will be charged to the prior and new fiscal year

If the Chargeback % is 0, all benefits will be posted to the *new* fiscal year (same as option "E") Accrued Payroll impacted in either or both years

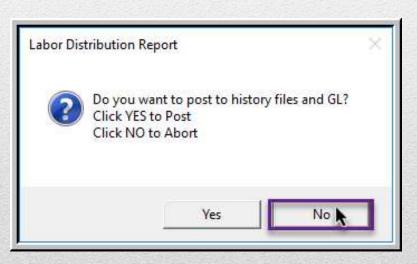

# It's OK to say "No"!

Review the Labor Distribution Reports produced after clicking on the Post Labor Dist button.

Stop, click on **[No]**, and check the reports to verify that the activity will post properly. Review the reports with the finance director/town accountant *prior* to posting.

If the accounting is not correct, click on **[No]**, run the step again, and make different selections.

# Posting to the General Ledger

Two batches will be created for the General Ledger for the split payroll.

## In Summary...

This process allows for the posting of expenses, accrued payroll, and cash for two fiscal years.

Create the accrued payroll account and enter it in the control table for *all funds for both fiscal years*.

HR Module Control #6000 – set it to 2024

Consider timesheets that have all days/hours on one day. Perhaps update the shift code table before creating the timesheets.
