

Mommy & Me Dance Class!

\$45 for 6 weeks

Designed for Dancers 2-3 years old

Our class will expose children to a wide variety of skills through creative and explorative movements. The focus will be on introducing rhythm, movement & musicality with an implementation of a toddler's imagination. Additionally, this class will continue to instill valuable characteristics of cognitive, emotional, and social development through listening, taking turns, standing in line, and following directions. An adult needs to accompany the dancer for each class. Come join the fun!
