*Unveiling the Transformative
Power of the Gaze*

BECAUSE YOU *are* A MISSION!

Session 2

Noticed & Known

*Unveiling our heart's desire
to be delightfully
discovered and truly seen.*

Human Desires & the Gaze

Being discovered - to be an event
in someone's heart.

Being unconditionally loved - to
find someone that can love me as
I am.

*Longing to be
discovered...*

A piece of art is not completed
until it is contemplated by
someone else.

*...and so afraid
of being caught.*

We hide the dark sides of our
soul from the sight of others...

The difference between being caught
and being discovered...

being caught

...is in **what**
is being seen
& **how** it is
being seen

The opposite of a good person...

Is not a **bad** person

The opposite of a good person...

...but a **holy** person.

Jn. 8: 1-11

- Do you think the sinful woman noticed the difference between Jesus' gaze and that of the Pharisees?

- Have you ever felt "caught"? Have you ever been "discovered"? What's the difference between one and the other? What are the effects they both have in your soul?
