**POSSIBILITIES:** Ho... Ho... Ho!

### ***A Note From Santa John*** (pictured below)

*John Turek, Contest Sponsor*

*My idea, to begin with, is inspired by several seasons as a mall Santa. To every little person Santa Claus is indeed “real”! —Followed by an age of uncertainty, then “pretend” Santas are allowed to be “real” for the rest of time. This may inspire some possibilities for those moved to write to the theme of this contest.*
