

Kansas Republican Party Constitution

As Amended June 20, 2026

ARTICLE I: NAME

The name of this organization shall be the “Kansas Republican Party”.

ARTICLE II: PURPOSE

The purpose of the Kansas Republican Party is to coordinate and unite the activities of Republicans in Kansas through recognized county, district, and state committees under a central, statewide organization and serve as the official state affiliate of the Republican National Committee. The Kansas Republican Party is dedicated to the advancement of Republican candidates, policies and principles and shall aid in every way possible the Republican nominees selected in each partisan primary. The Kansas Republican Party seeks to advance Republican principles and beliefs by seeing them enacted as sound public policy. The Republican Party works to ensure its growth through voter registration and by attracting disenfranchised members of other political parties.

ARTICLE III: PRIMARY ELECTIONS

The policy of the Kansas Republican Party is that Republican primary elections shall remain closed. Participation in the Republican primary election is limited to registered Republican voters.

Any change to the method the party uses to select its candidates for public office must be ratified by the state committee in three consecutive calendar years.

ARTICLE IV: COUNTY ORGANIZATION

- (A) County Central Committee Membership: The county central committee is composed of all Republican precinct committeemen and committeewomen elected at the most recent August primary election, plus precinct committeemen and committeewomen appointed by the county chair to fill vacancies. No incumbent member shall lose his or her office before the next succeeding August primary election by reason of consolidation of precincts or changes in precinct boundaries.
- (B) Reorganization Meeting: The incumbent county chair shall call a meeting of the county central committee for the purpose of reorganizing the committee and electing new officers to take office immediately. The reorganization meeting must take place between the August primary election and fourteen (14) days following the November general election. Precinct committeemen and committeewomen assume their position on the day following the primary election or when appointed by the County Party Chair.
- (C) Majority of County Committee May Call for Reorganization: A majority of the county central committee members elected at the August primary election may require a meeting of the committee to be held on a date selected by the majority, by making written petition to the county chair not later than September 10th and not less than ten (10) days before the selected meeting date. The County Chair must give notice of the meeting within five (5) calendar days of receiving sufficient petitions

to evidence a majority. At the meeting it is in order to reorganize the committee by electing new officers to take office immediately.

- (D) Proxy Voting: Proxies are permitted for voting purposes at county central committee meetings, but only if carried by a qualified Republican elector from the absent member's precinct. The signature on the proxy of the absent member must be acknowledged before a notary public.
- (E) Electing Members of the District Committee: At any meeting of the county central committee at which it shall be in order to reorganize, it is in order to elect that county's members and alternate members of the congressional district committee. If the reorganization meeting is held and no congressional district committee members are elected, then they may be elected at any other meeting of the county central committee held no later than fourteen (14) days after the general election, upon notice stating that such election will be held. If no formal meeting is held to select congressional district committee members and alternate members, they will not be allowed to participate in congressional district committee meetings.
- (F) If Chair Does Not Issue Notice: If notice of a meeting required by this Constitution is not given in timely fashion by the chair, the vice chair may give such notice. In the event that the county chair or vice chair neglects to give notice of a meeting recognized by this rule, any member qualified to vote at a meeting may request the congressional district chair to give notice of a reorganization meeting.
- (G) Notice Requirements: Notice requirements for meetings of the county central committee may be established by State or County Bylaw.
- (H) Blackout Period for Appointments of Precinct Leaders: A County Chair cannot appoint individuals to vacant precinct committee positions between the last August primary and the meeting at which the county central committee reorganizes.
- (I) County Committee Officers: The elected officers of the county central committee shall include a chair, vice chair, secretary and treasurer. It shall not be necessary for any of the officers of the committee to be a central committee member. One person may hold both the offices of secretary and treasurer. County parties may have additional elected or appointed officers.
- (J) If No Precinct Committeemen or Committeewomen Elected: If no precinct committeemen or committeewomen are elected at the August primary election, the state party chair, with the advice and concurrence of the district committee chair must appoint an acting county chair. The acting county chair must appoint precinct committeemen and women. The acting county chair must then call and conduct a reorganization meeting pursuant to paragraphs (B) through (H) of this Article IV.
- (K) Sole Power to Appoint Precinct Committeeperson: The power to appoint individuals to vacant precinct committee positions is vested solely in the judgment and discretion of the County Chair and so long as the appointment satisfies statutory standards, no other person or group may infringe on the Chair's prerogative.

ARTICLE V: CONGRESSIONAL DISTRICT COMMITTEES

- (A) District Committee Membership: Each congressional district committee is composed of:
 - (i) the county chair and vice chair of each county in the district and

- (ii) two additional members from each county, to be elected by each of the county central committees in the district after each August primary election, but not later than fourteen (14) days after the general election, in accordance with the chart below.

(B) Number of Votes Cast: The state party chair will provide district and county chairs with the election results of the statewide office being used and the number of delegate members allowed each county, no later than September 15th following the August primary or as soon thereafter as the Secretary of State releases the official vote totals.

“Number of votes cast” is defined as the total votes cast in the county by Republican Party voters for the Republican statewide office, the candidates for which, in total, received the highest statewide vote at the preceding August primary election. “Statewide” includes races for U.S. Senate.

If no statewide office was up for election in the immediately preceding August primary election, the number of votes cast shall be the votes cast in the last August primary election in which a statewide office was up for election.

The number of district committee members will be determined according to the following chart:

county as a whole, but allocated separately for each such district as specified on the basis of the votes cast by Republican voters in each district at such primary election.

Additional members of each congressional district committee shall be elected by the precinct committeemen and committeewomen from their congressional district.

The county chair and vice chair shall be members of each congressional district committee, but shall only count once for the purposes of delegate allocation.

- (H) *Effect of Reapportionment*: In the event of reapportionment under the circumstances where the total number of Kansas congressional seats has changed, the state chair shall call such a meeting to reorganize for each newly constituted Congressional district. Such meeting shall organize a new congressional district committee and elect officers for each committee.
