Reorganization Meeting Rules for Johnson County Republican Central Committee

Rule 1 — Governing Authority

The meeting shall be conducted in accordance with applicable Kansas Republican Party rules, the bylaws of the Johnson County Republican Central Committee, these meeting rules, and, where not inconsistent with the foregoing, the current edition of *Robert's Rules of Order Newly Revised*.

Rule 2 — Credentialing

Only properly credentialed members and proxies who arrive at the credentialing station by 6:45 p.m. shall be eligible to vote. A valid government-issued photo identification is required.

Proxies shall be permitted as authorized by party rules. Each proxy must be properly completed and notarized and must designate an eligible Republican residing in the same precinct who is not otherwise entitled to vote at the meeting.

Rule 3 — Committees

The Chair shall appoint the following committees:

Credentialing Committee: Responsible for verifying the eligibility of members and proxies, issuing credentials and ballots, maintaining the official credentialing record, and reporting the number of credentialed voters to the meeting.

Rules Committee: Responsible for presenting these rules and any other procedural recommendations necessary for the orderly conduct of the meeting.

Tally Committee: Responsible for collecting, counting, and verifying ballots and reporting election results to the Chair. Candidates shall not participate in counting ballots for an election in which they are a candidate.

Rule 4 — Nominations and Elections

Nominations for county officers may be made from the floor and must receive a second. A candidate may decline a nomination.

All contested elections shall be conducted by secret ballot. If only one candidate is nominated for an office or position, the Chair may declare the candidate elected by acclamation without conducting a ballot.

A candidate for county office must receive a majority of the votes cast to be elected. If no candidate receives a majority, an additional secret ballot shall be conducted between the two candidates receiving the highest number of votes.

If an election between two candidates results in a tie, a second secret ballot shall be conducted. If the second ballot also results in a tie, the election shall be determined by lot, administered by the Tally Committee and witnessed by the Chair.

Rule 5 — District Delegates and Alternates

Johnson County shall elect the number of district delegates and alternate district delegates allocated to it under Kansas Republican Party rules. The Chair and Vice Chair shall serve as district delegates as provided by party rules. The Secretary and Treasurer shall serve as alternate district delegates if not otherwise elected as district delegates, as provided by party rules.

Individuals seeking election as a district delegate or alternate district delegate must submit a self-nomination no later than 7:00 p.m. on Saturday, October 31, 2026. Self-nominations received after the deadline shall not be accepted, and nominations for district delegate or alternate district delegate shall not be accepted from the floor.

District delegate and alternate district delegate elections shall be conducted by secret ballot whenever the number of candidates exceeds the number of available positions. If the number of candidates does not exceed the number of positions available, the candidates may be elected by acclamation.

For contested elections, the candidates receiving the highest number of votes, up to the number of positions available, shall be elected. If a tie affects the final available position, a secret runoff ballot shall be conducted among the tied candidates. If the runoff also results in a tie, the position shall be determined by lot, administered by the Tally Committee and witnessed by the Chair.

Rule 6 — Ballots

Each credentialed voter shall receive only one set of ballots. Lost, misplaced, or spoiled ballots will not be replaced, except that the Chair may authorize replacement of a demonstrably defective ballot before it is cast.

Rule 7 — Debate and Procedure

The Chair may impose reasonable time limits on nominations, candidate speeches, debate, and other proceedings to ensure the orderly and timely conduct of the meeting. All questions of procedure shall initially be decided by the Chair, subject to any right of appeal provided by parliamentary authority.

Rule 8 — Suspension or Amendment

These rules may be amended or suspended only upon approval of two-thirds of the credentialed members present and voting, provided that no rule required by state party rules or applicable law may be suspended.
