PRESIDENT'S MESSAGE

Now that Winter's Chill is behind us (hopefully) it is time to bask in the warming sun, maybe do some planting, and just plain enjoy the nicer weather. To this end we have some exciting and interesting things planned. Please consider joining us.

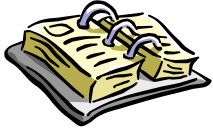

Our Spring meeting is just around the corner. We have great speakers lined up for it. If you are a dog lover or just someone who loves animals in general you will surely want to hear Steve and Bev Klinger speak about the special needs dog they raised. I know it will touch your hearts. We will also be voting on the Proposed Budget at this meeting. See **Page 15** for this information.

Here are some important dates to mark on your calendar:

- **May 4 — Free Pre-Retirement Benefits Fair** Mechanicsburg Middle School, 9:00 AM. Please let any of your retiring friends know about this. See **Page 7** for more information.
-
- **May 7 -- DCPASR Spring Luncheon Meeting 9:30 REGISTRATION** at the Skyline Family Restaurant. See **Page 5** for further information.
-
- **May 14 -- DCPASR Annapolis Trip.** See **Page 8** for more information

Please continue to be involved in DCPASR. It is your organization, after all, and can only be as strong as we make it. Please consider taking a more active role in your organization. We need your help as we keep moving forward.

Sincerely,
Robert J. Hamera,
DCPASR Co-president
Kathleen A. Hamera,
DCPASR Co-president

LEGISLATIVE REPORT

Our U.S. CONGRESS is currently discussing prescription drug prices. Drug prices have been going up and we hope our Congress will put a halt to this practice. The U.S. CONGRESS needs to bid our prescription drugs on the open market. The VETERANS ADMINISTRATION bids out prescription drugs and they get low prices for veterans. CONGRESS should do the same for the American taxpayer. Contact U.S. Senators BOB CASEY AND PAT TOOMEY to help in this cause. Also contact your U.S. REPRESENTATIVE in your area. U.S. REP. SCOTT PERRY covers DAUPHIN, CUMBERLAND AND NORTHERN YORK counties.

Our STATE Legislature is currently discussing a bill that would raise the starting salary for teachers to \$45,000. Most of our STATE Legislators have a problem with this salary. I can say I have a problem with our STATE Legislators and their starting salary. Did you know that our STATE Legislators started this year with a salary of \$88,000? Our STATE Legislators get about \$150,000 a year in salary and benefits.

What really bothers me about our STATE Legislators, they don't need a college degree or special certification to qualify and hold their job. Teachers are always under pressure to perform in their job and State mandates are required to hold their job.

In closing, we must always keep the pressure on our STATE Legislators to get what school retirees need most and that is a COLA in our pension. PASR is working on that for us.

REMEMBER TO VOTE ON MAY 21, 2019. LOCAL GOVERNMENT OFFICIALS ARE UP FOR ELECTION THIS YEAR.

SEE YOU IN THE SPRING.

*Don Steinmeier
Legislative Chairperson*

STUDENT SCHOLARSHIP UPDATE

The application packets were sent out on February 4th to the 13 Dauphin County public high schools, to the attention of the 12th grade guidance counselors. The completed applications and all other required documents are due back to me with a post marked date of no later than April 10, 2019. I will compile the necessary information and meet with the committee to read, review, and evaluate the applications. At that time, we will recommend the 2019 recipient(s) to the Executive Board Members for their approval.

Without the continued support of the General Membership, our contribution to helping a worthy student pursue a college degree in the field of education would not be possible.

THANK YOU VERY MUCH FOR YOUR GENEROSITY!

**VOLUNTEER
OPPORTUNITIES**

Do you have some spare time? Are you looking to fill in a few hours helping those in need? This might be the solution for you. The Alzheimer's Association is looking for volunteers. Although they have many opportunities for volunteering the one that they are in need of is for an Alzheimer's Association Community Educator. The curriculum is made. *The goal is to raise awareness, provide education, and expand the reach of educational offerings in the community. These volunteers deliver presentations using prepared training materials on topics related to Alzheimer's disease and other diseases.*

You don't need to be an expert on Alzheimer's since the presentations have embedded videos containing research, physicians, etc. So, if this is something you would like to do please contact Jessica Hill at jshill@alz.org for more information.

Spend a day in 19th century Delaware, the "First State" and the last stop on the Underground Railroad!

Our first visit of the day on the path of freedom is to Dover, the Capital City of the First State and visiting the **First State Heritage Park**, the urban "park without boundaries." Our visit includes a stop at the Old State House, Delaware's first permanent capital building, for a captivating interpretation of Delaware's Underground Railroad connection and courageous heroes.

Lunch today will be at **Where Pigs Fly!** Enjoy this local favorite, that specializes in hickory smoked pulled pork barbecue.

Afterwards, we venture to nearby Camden and explore the **Camden Friends Meeting House**, a Quaker house of worship constructed in 1805, where many members were actively involved in anti-slavery initiatives. Tour the rustic brick building and adjacent burial ground of prominent local heroes who assisted countless slaves in their quest for freedom and the conductors.

We end the day by visiting the **John Dickinson Plantation**, home of one of the founding fathers of the United States, signer of the U.S. Constitution, and "Penman of the Revolution." Here, we will enjoy a guided tour and learn about the plantation's close ties to the Underground Railroad.
