

# Tour I

## West Thumb, Yellowstone Lake

- From Old Faithful, go **South** toward **West Thumb**. If you are coming from **Biscuit Basin**, go south past Old Faithful (don't exit).
- A **couple miles** from there you can make a quick stop at **Kepler Cascades**. This is a short **5 to 15 minute** stop to see some pretty cascading waterfalls, just off the side of the road.
- There is an extra stop here, if you are interested. We found it very interesting and loved it! It is the **Lone Star Geyser**. Park in the parking area just past Kepler Cascades. It is a **2.5 mile**, out and back trail that was once a paved road. This is one of the few trails you can ride a bicycle on in the park. (We suggest that over walking). Lone Star is an interesting geyser that is worth the effort of getting out to and watching. It has 2 eruptions; one that is shorter in height and length of time and a second one about 20-25 minutes later that goes at least 40 feet in the air and erupts for 25-45 minutes.
- Continue your journey to **West Thumb**, about **15 miles** over the Craig Pass.
- There you can take a **.5 mile/15 minute** walk around the boardwalk to see **Fishing Cone** and view **Yellowstone Lake** close-up.
- Visit the Grant Village Visitor Center for park info, tours and a gift shop.

Kepler Cascades

West Thumb

Grant Village

Lone Star Geyser

By this point, you will want to head to your overnight destination (or back to Rexburg).

If you are headed back to Rexburg, you have a couple routes you can take:

### Route I:

- From West Thumb and Grant Village head to the South Entrance.
- Head through John D. Rockefeller Park to the North Entrance of Grand Teton National Park, **28 miles**.

- From that point there are 2 routes you can take, both will get you to Jackson, Wyoming. The first one takes you past Jenny Lake, if you want to go that way.

### Choice A

- After entering Grand Teton National Park, stay on Hwy 191 for **16 miles** to Jackson Lake Junction.
- Turn Right onto Teton Park Road (the blue route)
- Go **20 miles** past Jenny Lake to Moose Entrance.
- Go Left then Right onto Hwy 191 at Moose Junction.
- Go **12 miles** to Jackson.

### Choice B

- After entering Grand Teton National Park, stay on Hwy 191 for **16 miles** to Jackson Lake Junction.
- Turn Left on Hwy 191 (the red route)
- Go **5 miles** to Moran Junction and turn Right
- Go **18 miles** to Moose Junction
- Go **12 miles** to Jackson.

- From Jackson, Wyoming (via Driggs, Idaho) it is **81 miles** to Rexburg.

- Total mileage: **157-160 miles**
