August 6-9th, 2024

The Whitnall Girls Basketball Program is excited to offer our 2024 Summer Basketball Camp! The Falcon Girls Basketball Camp is an opportunity for athletes to learn and improve their basketball fundamentals as well as develop their individual and team skills. Players will participate in drills, skills, and games that will help teach them to play hard, smart, and together. This camp will develop players' ball handling, footwork, balance, finishing, shooting, passing, rebounding, defense, and teamwork. The camp will be staffed by Anthoni Parr, head girls basketball coach, the high school coaching staff, as well as players. The goal is to build player confidence, foster an exciting and energetic environment, and most of all have FUN playing basketball. The last day of the camp will be competitive and awards will be given!
