- GPS & Geofencing for precise location tracking

The image displays a comprehensive security management software interface. Key components include:

- Sign-in Portal:** A user interface for logging in, showing the user's name and a 'Sign me in' button.
- Map & Location Tracking:** A satellite map view of a facility with a blue circular marker labeled 'WED' indicating a specific location or checkpoint.
- Dashboard & Status:** A central dashboard showing the user's status as 'On Duty (Available)', along with 'Dispatch' and 'Reports' sections.
- Location Card:** A detailed card for 'West End Complex' at 12340 Boggy Creek Rd, Orlando, FL, featuring a photo of the building.
- Alerts & Incidents:** A 'Missing Supplies' alert for the 6th floor, and a 'Reports' section detailing a camera monitoring incident (SPS200824-1) for 'Theft, petty' on Mon Aug 24 2020.
- Task Management:** A section indicating 'There are no recent Tasks' for the location.

STAY INFORMED

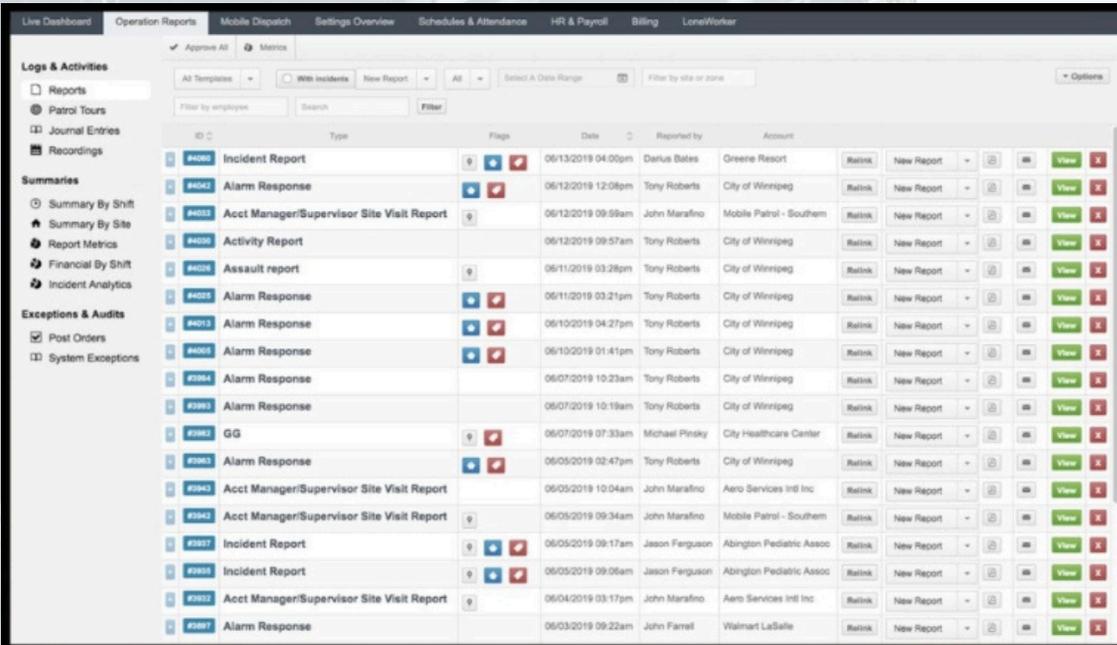

DAILY ACTIVITY REPORTS

- Easy-to-read PDF Reports

Clear, concise reports are generated daily, summarizing key events and activities. These are automatically emailed to clients for seamless updates.

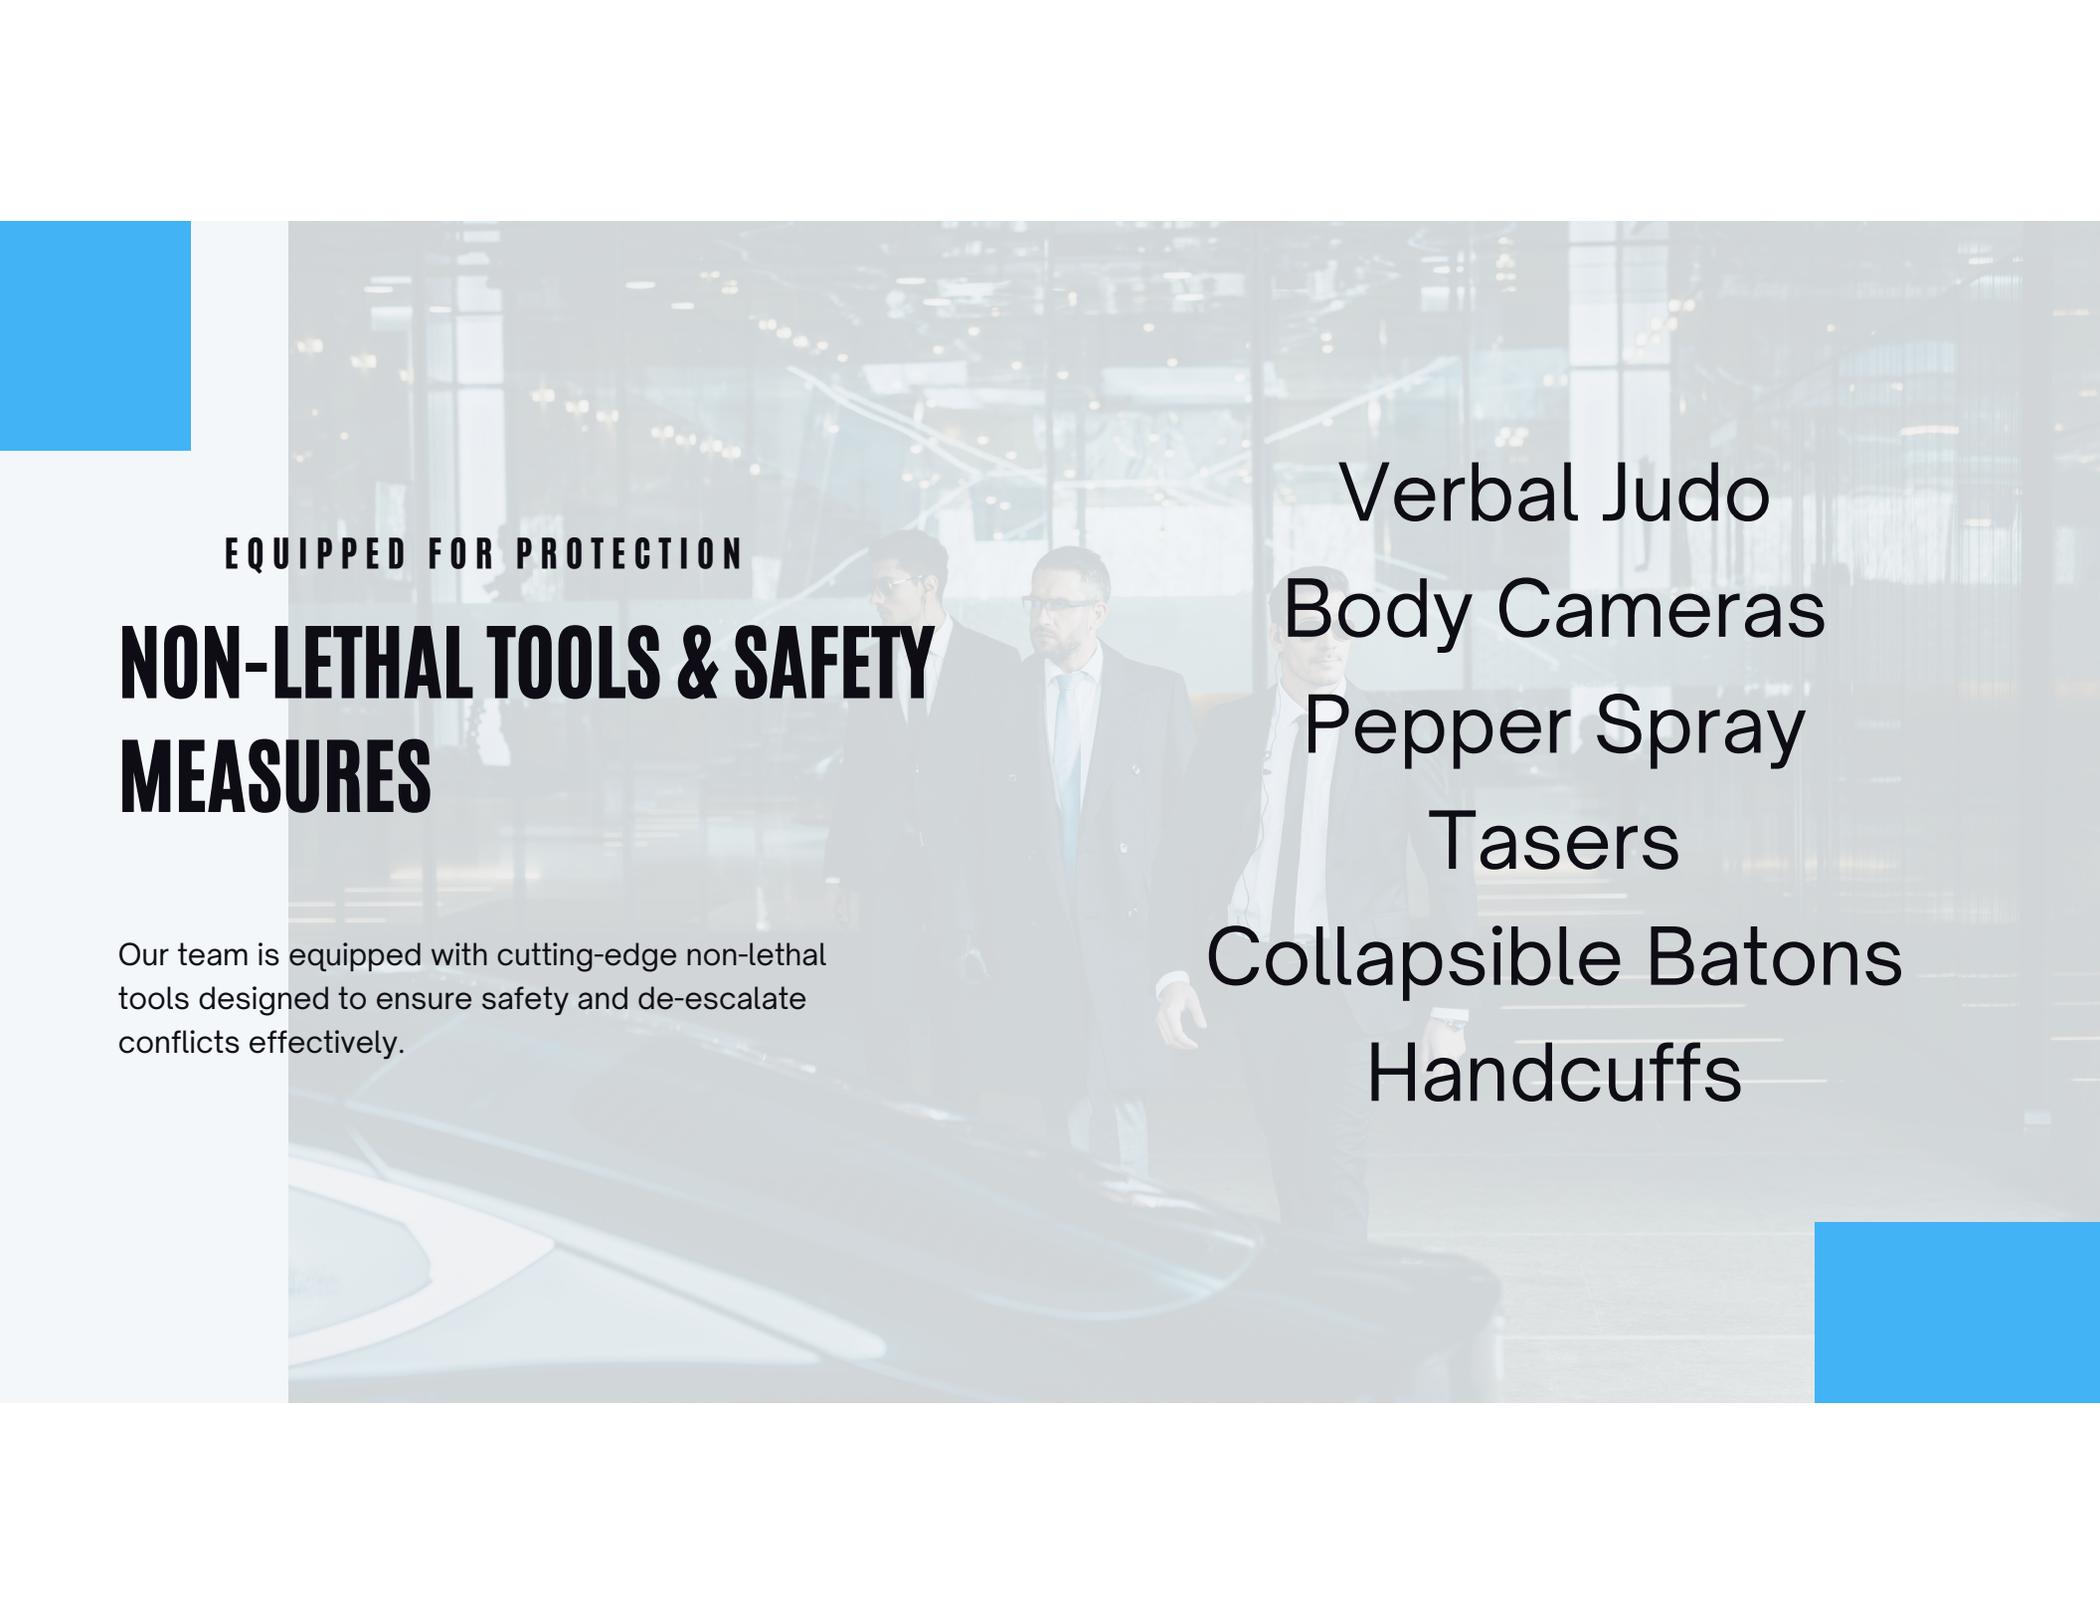

- Secure Client Login

Access your reports instantly through our user-friendly portal, offering real-time insights and historical data at your fingertips.

The screenshot displays a software interface for managing logs and activities. The top navigation bar includes options like 'Live Dashboard', 'Operation Reports', 'Mobile Dispatch', 'Settings Overview', 'Schedules & Attendance', 'HR & Payroll', 'Billing', and 'LoneWorker'. The main content area is titled 'Logs & Activities' and features a sidebar with navigation options: Reports, Patrol Tours, Journal Entries, Recordings, Summaries (Summary By Shift, Summary By Site, Report Metrics, Financial By Shift, Incident Analytics), and Exceptions & Audits (Post Orders, System Exceptions). The central table lists various reports with columns for ID, Type, Flags, Date, Reported by, and Account. Each row includes a 'Status' column with a 'Retain' button and a 'New Report' dropdown menu, along with 'View' and 'Delete' icons.

ID	Type	Flags	Date	Reported by	Account	Status	New Report	View	Delete
