

Respect Our River Rally

Join Mike Peters, New Port Richey City Councilman, Saturday, April 10 @ 6:30 pm for a [Golf Cart Rally](#) in support of our invaluable city asset, the Cotee River!

Mike will share current activities related to the river and listen to ideas on how we can better respect and protect our river. This is a great opportunity to enjoy an evening golf cart ride and come together as a river community.

Attached is the map of the Rally, and the approximate times we will make neighborhood stops. Please join Mike at the beginning or along the way. The Rally will end at Rosie's Bistro, downtown for \$2.00 Drafts.
