

2025 Beeswax Painting Commission Pricing

50% deposit required | High resolution photo preferred | Limited Openings

Beeswax paintings: Paintings are created using beeswax, pigments, and damar resin painted at 180°F.

I do not accept all commission work | Commission Availability is limited.

I offer three different panel options. *The sizes and pricings shown are panels and frames in stock at Buzz in Art Studios. Custom sizes can be ordered.*

- 1. Art Panels:** These Masonite art panels feature a 1/8" raised lip which is part of the frame around the panel itself. The natural wood can be left as-is or stained and painted for frameless presentations. *I do not stain or paint panel frames. The raised wood lip cannot be removed.*

Disclaimer: These paintings will have a ½"-2" white border around edge of painting on these art panels.

Larger framed encaustic paintings: *I do not typically paint larger than 16x20" on the 3/4" birch plywood panels due to potential warping and the weight on the panel with the frame. All panels larger than 16x20" need to be braced on the back increasing cost of materials and the overall weight of the painting. If you would like framed larger encaustic work, please contact me for options and pricing.*

No frame disclaimer: If a client does not want the frame provided with the option #2 beeswax painting, they can order a commissioned painting without the natural maple shadowbox frame. Please be aware that the edges of an encaustic painting are fragile. If the painting is not framed, it will be more prone to damage and chipping. Please take care when handling or framing. If the client does not want the painting framed the total will be minus the cost of the frame.

3. Shaped 8" birch panels: Round and Hexagon

- 8" Hexagon Baltic birch panel. No frame. Edges painted with black India ink: \$160

Steps to Order a Commissioned Beeswax Painting

1. I do not accept all commission inquiries. People's portraits are no longer accepted; however, pet portraits will be considered. I only paint subjects that bring me curiosity and excitement. If I am not inspired by your image, I will not be interested in painting it.
2. Please provide a high-resolution photo. You may email it to jessie@jessiefritsch.com or text it to 715-252-4125. I paint what I see and do not alter, change, edit, or merge images to create reference photos for clients.
3. Select the size of the painting. Pricing is determined by size. Please note framing options.
4. A 50% deposit is required. Deposit and final payments can be made in one of the following ways:
 - Square email invoice: I will send an invoice using Square (my credit card processing provider). The customer pays online via the link provided in the emailed invoice. I never see the credit card number.
 - PayPal email invoice: I will send an invoice via PayPal. The customer pays online via the link provided in the emailed invoice.
 - Mail a check to Jessie Fritsch 1816 McCulloch St. Stevens Point, WI 54481
5. Time frame for custom commission work is very limited.
6. I will email a photo of the painting for approval before it is completed. Multiple requests for changes to a commissioned painting will result in additional payment for my time, as my time is valuable.
7. The painting must be paid for in full before shipment.
8. Shipping costs are the responsibility of the customer.

Thank you for your interest in my beeswax paintings!

Bee Well.
Jessie Fritsch
