### ABOUT THE WORKSHOPS

- Held one weekend per month
- No experience necessary | Ages 8+ welcome
- Five guest limit | All supplies provided | Individual workstations
- Small group, hands-on sessions in a friendly studio environment

### OPEN ENCAUSTIC STUDIO SESSIONS

Open Studio Sessions are available exclusively for returning students who have previously taken a workshop with me. These sessions are designed for independent exploration—ideal for past guests who want to continue working in encaustic without the structure of a formal class.

While I'll be present in the studio, these are not instructional sessions. Instead, you'll have access to my professional encaustic equipment, tools, and materials to work on your own creative projects in a relaxed environment.

- Fee: \$50 for a 4-hour session
- Includes: Use of all studio materials and one wood panel
- Limited to returning students only

Whether you're finishing a previous piece or experimenting with new techniques, Open Studio is a great way to deepen your encaustic practice at your own pace.
