## Benefits of a Membership Platform

- Available year-round with no enrollment period restrictions.
- Additional benefits are available with Guaranteed Issue — no medical exams needed.
- Special group rates available to individuals, sole proprietors, and companies of every size.
- Provide employee benefits with ease, without payroll deductions or administrative hassle.
- Providing cost-effective health plans that can replace Marketplace coverage.
- Coverage extends beyond yourself — parents and siblings can also enroll.

## Member Benefits

### Health Insurance

- Access to nationwide PPO networks including Cigna, Anthem, PHCS, and QualCare (for New Jersey residents).

### Dental Insurance

- Access nationwide dental networks — Delta Dental, Solstice (UnitedHealthcare) — and enjoy richer benefits with higher annual coverage limits.

### Supplemental (gap) Insurance

- One solution, multiple protections: Critical Illness, Hospital Indemnity, Accident, and Life Insurance — all Guaranteed Issue and backed by major U.S. insurance companies.

### Vision insurance

- Nationwide networks like VSP and Davis Vision provide coverage for eye exams, glasses, contact lenses, and more.

## How is it different from regular health insurance / Obamacare?

Category	Regular insurance / Omabacare	Patriot Medical Plan
Pricing	Hundreds to over a thousand dollars per month	Relatively affordable monthly premiums
Enrollment	Available once a year (Open Enrollment)	Available year-round
Network	Restricted coverage area — mainly HMO networks	Plans available with nationwide PPO networks
Plan design	Overwhelming with complex options	Easy and customizable to your needs
Subsidy	Eligibility may vary based on income	No subsidies, but lower base premiums

Our exclusive plan is a **low-cost, high-value health plan** designed to provide essential medical services without the complexity of traditional insurance.

- Individuals or families can enroll freely
- Includes nationwide PPO network access
- Comprehensive coverage in one plan — health, dental, vision, accident, and emergencies
- Easy eligibility requirements with year-round enrollment

## Frequently Asked Questions

### Q. Is a separate medical exam required?

A. For health and life insurance, only a simple health questionnaire is required, and your premium will not change after approval. Other insurance products can be enrolled in immediately without additional approval procedures.

### Q. Can my family also enroll?

A. Yes. By entering your family's information during enrollment, they can be covered together. Parents, siblings, and even children over age 26 without insurance are also eligible.

### Q. Do I need to worry about missing an enrollment period?

A. No. our exclusive Plan is open for enrollment year-round, with no Open Enrollment restrictions.

### Q. Can I enroll even if I already have insurance?

A. Yes. You can have this plan in addition to your existing coverage, and it can serve as a valuable supplement.

### Q. Do these plans meet ACA (Obamacare) requirements?

A. Yes. our exclusive medical plan meets the Minimum Essential Coverage requirements under the ACA (Obamacare). This means you fulfill your insurance mandate through this plan and will not be subject to related penalties.

## A Complete Total Solution — From Health to Dental, Vision, and Supplemental Coverage

Through leading U.S. insurance carriers, we provide not only health insurance but also comprehensive supplemental protection — including Critical Illness, Hospital Indemnity, Accident, and Life Insurance — along with Dental and Vision coverage, all integrated in one plan.

Enrollment is simple, and with special group rates available for individuals, self-employed professionals, and businesses of all sizes, you can enjoy more affordable coverage at a reasonable cost.

Designed to cover a wide range of needs — from unexpected illness, accidents, and hospital stays to dental care and vision correction — our comprehensive benefits help enhance employee welfare, increase satisfaction, and protect both your life and business with greater stability.
