Yorkshire
Wildlife Trust

Doncaster Deaf Trust
A National Centre of Excellence

HELLO!

After a covid induced absence, we are finally returning to Doncaster for The Doncaster Half Marathon 2022!

With a new route (and venue) we are so excited to be back :) And we can't wait for you all to be part of the big day!

With a start line on Bawtry Road and a finish on the World Class UCI cycling track , we know this is going to become one of the "must-do" half marathons!

You're helping to support Club Doncaster Foundation, Firefly Cancer Awareness and Support, The Yorkshire Wildlife Trust and The Doncaster Deaf Trust, so a big thank you !

As always a big thank you to Doncaster Council (and all members of the safety advisory group) helping us to bring a safe event to the town :)

An extra thank you to those clubs, groups and organisations getting involved and making the day special for our runners. To name a few: First Group buses, The Doncaster Lawn Tennis Association, our amazing volunteers, TX1 and of course the fantastic DCLT letting us play on their cycle track at the Dome!

At Curly's, our goal is to promote active lifestyles by providing people with inspirational, fun, great value and high quality events. We know the benefits of physical activity to an individual and community are huge for physical and mental well-being. Our goals for the half marathon are to help....

"Inspire Activity" - *Provide opportunities for activity, promoting local activities, supporting local groups as well as helping to remove barriers to exercise.*

"Promote Doncaster" – We want people to view Doncaster more positively!
To see a Doncaster rich with leisure opportunities with a physically active population.

"Sense of Community" - *Discover a new activity, a club or simply create an occasion to come out and have a brew with your neighbour as the runners go past!*

...You can also Get Involved - *Volunteer (Volun-Cheer!), Fundraise or showcase your community, school, club or business on the route. Drop us a note at contact@curlysathletes.co.uk*

If you would like to look for your next challenge or find out more about Curly's Athletes then pop along to our website: <http://www.curlysathletes.co.uk> or Facebook page: <https://www.facebook.com/curlysathletes/>

Race packs, t-shirts and help!

Your number will be posted out to you from the first week of June. **If you have not received your number by June the 9th**, then please get in touch via contact@curlysathletes.co.uk (please do not contact via posts on Facebook, as these are not always monitored). Entries will close on June the 9th for collect on the day numbers. (If you are one of our many international competitors (who haven't provided a UK address), have a late entry or a problem to resolve then, you will need to collect your number on Sunday 07:30-08:30 from the [Curly's tent on the UCI cycle track , DN4 7PD](#))

Inside your race pack

- Your race number. Attached to the rear of this is your timing chip, so please don't bend/fold this section or it will result in you not receiving a finishing time!
- Bag storage tag (this tears off the bottom of your race number)

T-shirts

These are pre-ordered when you enter the event, or can be added afterwards. These can be collected from the Curly's tent-**please show your race number when collecting**. A small dot will be made on your race number to show it's been collected. They can be collected on the Saturday from the Curly's tent 16.30pm- 17.30pm or during the event day from the help point (from 07:30 to 13:30.) We will also have limited spares for sale on the day for £10. We don't include t-shirts to a) reduce the entry cost for those that don't want a t-shirt and b) help us reduce wastage from left or unused t-shirts. c) T-shirt profits go to support local charities (with free entries as part of the event.)

Help! Most answers to queries can be found in this information pack, or on our website www.curlysathletes.co.uk, but for anything further please get in touch. contact@curlysathletes.co.uk On the day if you have any questions, just pop along to the help station (which will have help point red flags) and will be in the [Curly's tent on the UCI track](#)

08:50 **Race briefing** - Silence please! So the race briefing will be filmed before the day and posted on our social media :) however any urgent elements / changes we will announce at the start line and on the cycle track PA system so listen up . . . If we've nothing to say then we will be quiet !

09:00 Event starts With a fire of a gun and lots of cheering.

10:14 (est) First finisher

12:00-12:30 (est) **All finishers in & prize giving**, thank you and well done! We aim to gather the winners as we go for prize giving. We've got trophies for every five year age group . . . so check your results online before you go!

Finding Your Way, Parking & Bags!

Car parking for the event is at the Vue cinema, postcode DN4 7NW, which is approximately a 5-8 minute walk to the start. **PLEASE DO NOT PARK AT DONCASTER DOME, AS THIS CAR PARK IS RESERVED FOR LEISURE FACILITY USERS AND DISABLED PERSONS.** As always, plan your journey and arrive in plenty of time. If the car park is full then there is off street parking along the lakeside area, the main public car parks are in the town centre and if you do park in a residential area please park respectfully and be careful not to block anyone in. We have restricted race numbers for the first year (just 1250) to support this and for 2023 will be opening up other parking options.

We will have a bag drop facility (at the Curly's tent in the UCI area) and the bottom of your race number tears off to create a handy bag tag. Please don't leave bags laying around the course, as these may cause disruption to the event and possibly be destroyed or removed.

Please car share where possible to help reduce our carbon footprint or you can even cycle to the event as we've lots of cycle stands available (just bring a lock :)) Be careful and considerate of your fellow road users and runners. Departing will always involve a delay, so we encourage you to stick around, enjoy some of the great facilities on offer with great shopping and eating options!

Road closures are in place from 06:00, but nothing should impact your journey into the car park or the event venue as we've moved them away from these areas. Unless you're running late . . . then they will as we close Bawtry Road inbound 15 minutes ahead of the event!

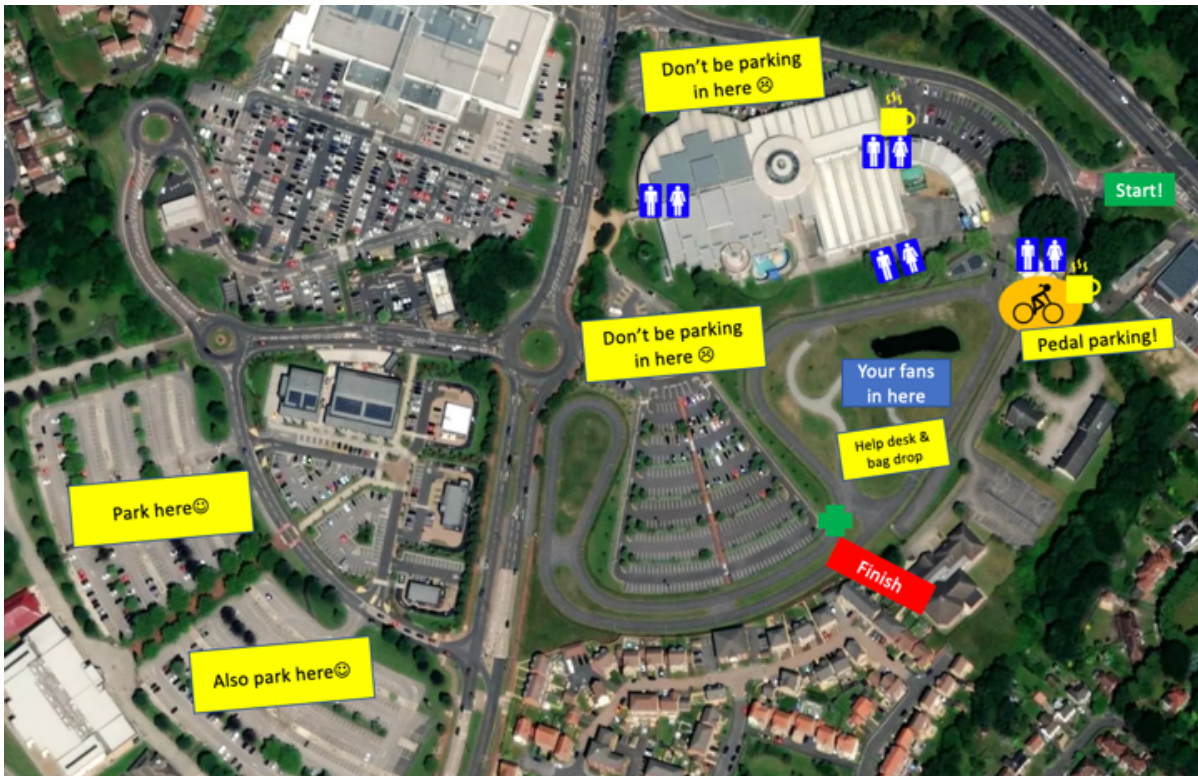

*For DISABLED PARKING - You are able to park at The Dome, but must display your blue badge.

Well-being, headphones, medals, snacks & more!

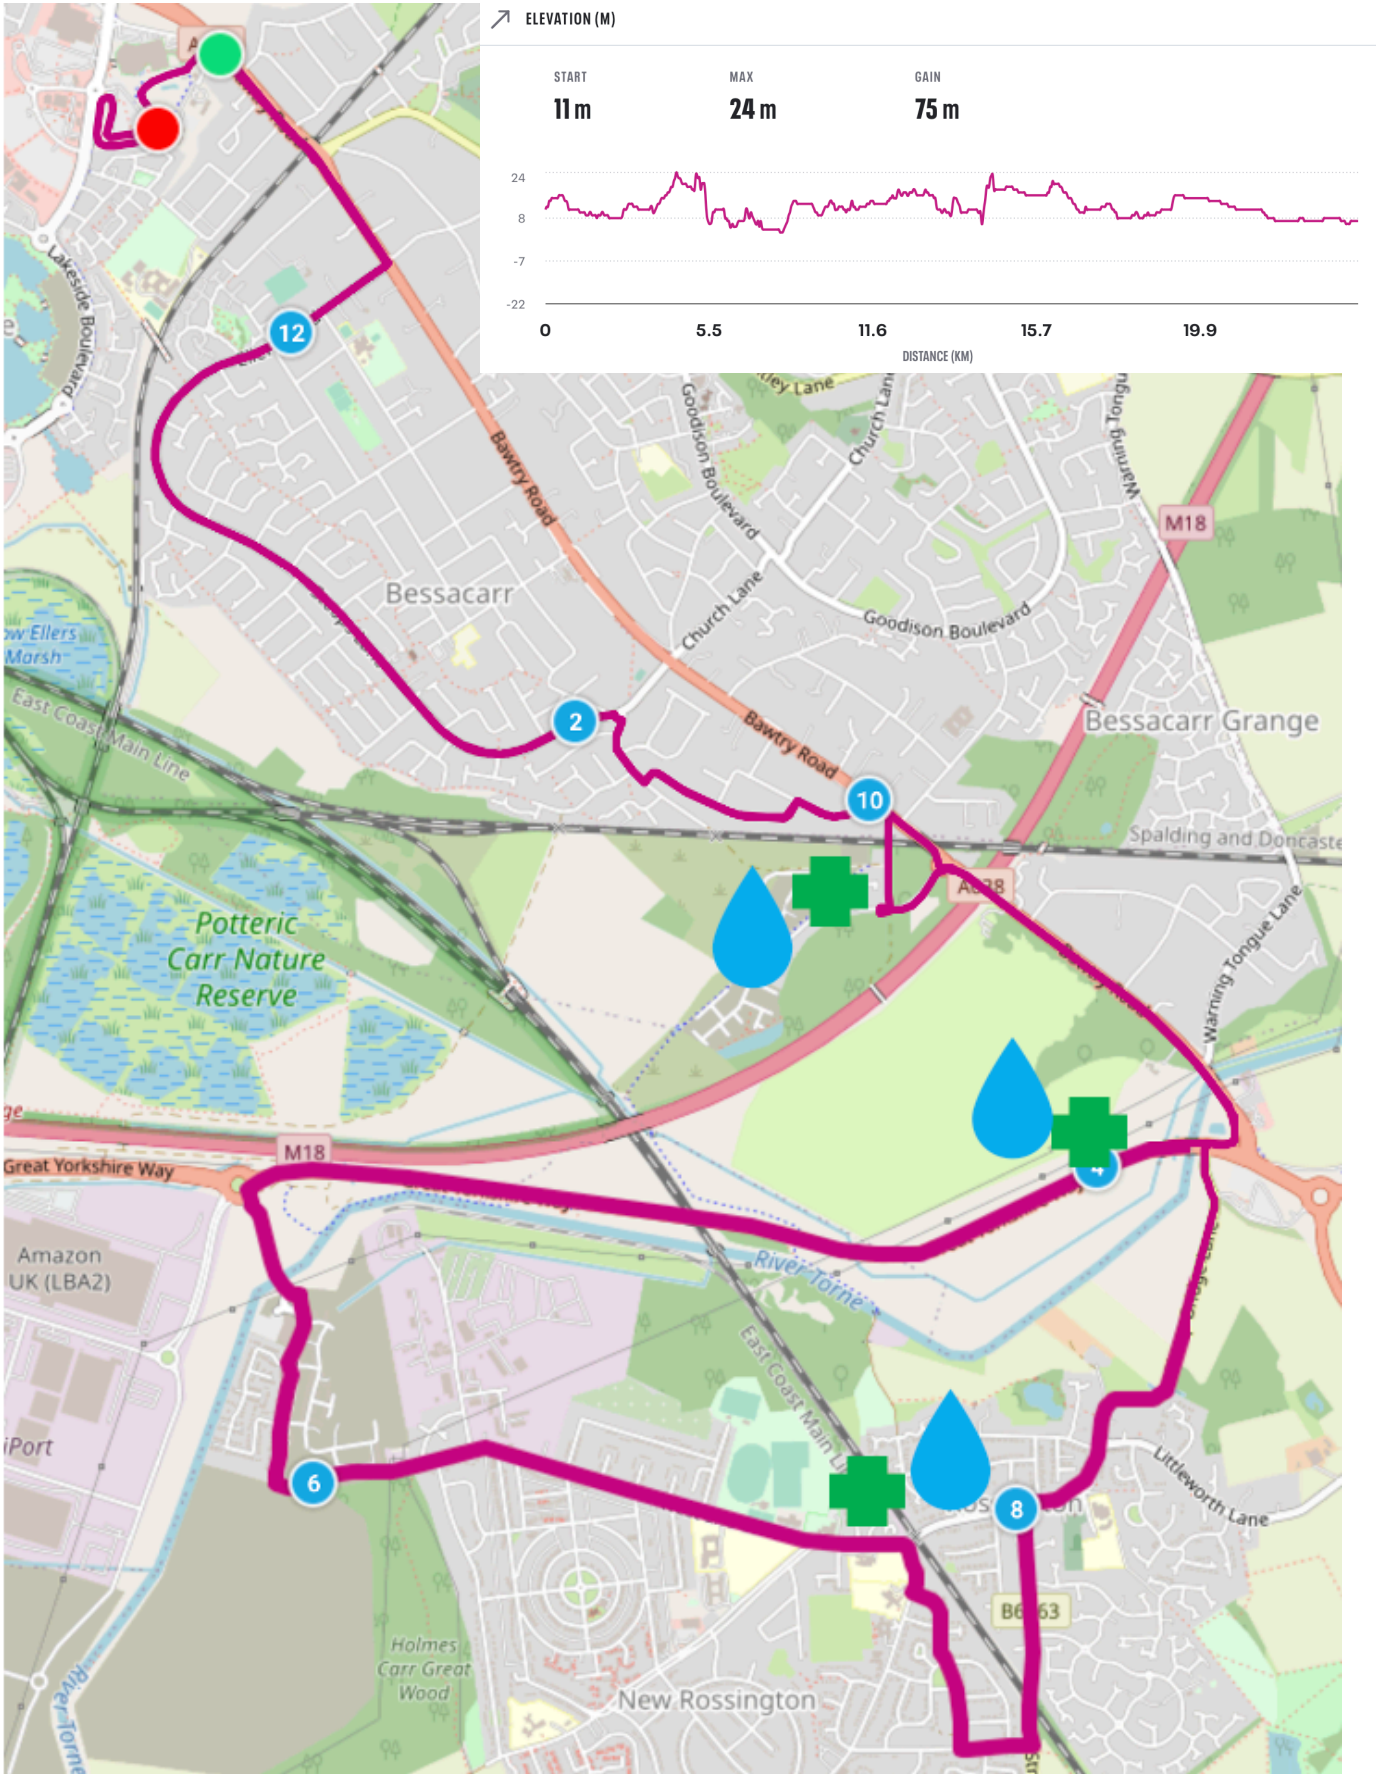

- **Medics**, our expert medical team will be on hand throughout the event. Based at the water stations, bikes on course, sweeper vehicle and at the finish. For top tips visit <http://www.runnersmedicalresource.com/en/>
- **Road closures**, full closures are in place, emergency vehicles may still access, be alert to warnings from Marshals. Choosing to ignore instructions may result in injury to yourself, other runners or a member of the public. **nb: the road closures will remain in place until 12:30, from 12:30 if we have runners out on the course after 3 hours 30 minutes, we will move you to the path.** In 2019 we had traffic issues caused by an external diversion, sending traffic to us. We've addressed this as the route an avenue has changed therefore minimise major road closures.
- **Important note, flow of traffic.** Sections of the run in Rossington and in Bessacarr you will run alongside traffic for sections. Runners and cars are separated with cones and we have lots of traffic team members out on course. Please take care to stick to the course and don't be tempted to cut corners or ignore cones / tape.
- **Dress for the weather & bag drop**, please ensure you dress appropriately for the weather conditions and always bring a change of clothes for after the event. Your bag tag is on the bottom of your number!
- **Water**, we have three aid stations on the course with first aid stations (water and cola all in cups) . Water is also waiting for you at the finish, plus a cupcake from Cupcakes2Love. Please see attached map for locations. Please note that we aren't quite ready to have bowls of Jelly Babies out as we have on previous years. Covid, although massively reduced, is still a risk with communal foodstuffs and all of those hands! We have also removed ALL PLASTIC bottles (except emergencies) from our events. . . . This is harder to do but it's better, we also always advise to bring your own hydration with you if you feel you're going to need it. All of our cups are compostable / recyclable and we appreciate your support as we try to do things a bit better. **AT THE FINISH WE HAVE A REFILL STATION!** . . . that means once you've grabbed your first cup of water just after the finish line, take it with you and you can then use the re-fill station at your leisure (this is just outside the finish area (we also have spare cups)
- **Rubbish**, if you run with your own water bottle or gel, please ensure you bring everything away with you, or drop at one of the aid stations. We will disqualify anyone for purposeful littering and we want to support the community and minimise environmental impact. We are aiming to reduce plastic bottles as part of the event and will have compostable cups and water containers at the aid stations and at the finish (plus a refill station)
- **Warming up**, plenty of space to warm up on the cycle track!
- **Finish line snack**, At the end of the event we will also have a well deserved amazing Cup Cake for you from the experts at Cupcakes2love :) (vegan and vegetarian options plus gluten free always provided. . . just ask)
- **Headphones** As stated by UKA guidelines, headphones can not be worn at this event, unless they are bone conducting ones. We don't police this but we appreciate your help in keeping everyone safe :)
- **Pacers** will be present, with flag backpacks for the following target 'net' times (from start line to finish line crossing) 01:30 / 01:45 / 02:00 / 02:15 / 02:30 / 02:45
- **TOILETS** can be found within The Dome itself, plus we will have lovely portaloos adjacent to the UCI track.
- **Junior Event** we are currently working on this and will update shortly. . . if not this year then defo for 2023.

Maps & Route!

Just run where the 5000 cones take you! The event is led out by vehicles or cycles (not all parts are vehicle suitable). The event is marked out in miles and we also have support vehicles and bikes following the event. The Doncaster Half Marathon is designed for all abilities and we will have 1250 athletes taking part this year, which means it's going to be busy... But not quite as busy as 2023 when we open to full capacity!!

The route: you can also view it here: <https://www.mapmyrun.com/routes/view/4818643828>

The route description

- Starting out on Booth Road you head out onto Bawtry Road for the first 800m
- Turning right onto Eilers road and utilising both sides of the road for the start of the event, you continue all the way through Bessacarr onto Stoops lane before turning right onto Bessacarr Lane., then left onto Checkstone Avenue, right onto Dunningwood Avenue before turning right back onto Bawtry Road (cheeky hill here).
- You continue out on Bawtry Road (on the right hand side of the road) heading up to the Great Yorkshire Way. If you're a steadier runner be prepared to keep right on this final section as runners will be coming back the other way in a bit :)
- Continuing on the Great Yorkshire way you hit your first aid station (then you've a hill after this bit). The run heads west up to the West End Lane Roundabout and turning left into Rossington on the left-hand side of the road. (The Rossington loop is the same course as per 2019 but the other way round! through Rossington stick too the left hand side of the road as the right hand side is open to traffic :)
- Following West end lane runners then turn right onto Gattison Lane, meet aid station number 2, left onto Lansbury Avenue and left onto Clay flat Lane. Turning left out of Clay Flat Lane onto Stripe Road .
- Reaching the roundabout runners turn right onto Sheep Dip lane to then follow the road and exit Rossington to rejoin the route and following the route out, but this time you're on the left hand side of the road . . . nb: if you're a speedy runner then make sure you keep right as you join Bawtry Road as some runners may still be heading out.
- Just before Cammidge way you will join the broad path on the bridge on the A638 and into Cammidge way and, through a short tree lined section, this has a few sharper turns but nothing too dramatic, we have aid station 3 just after the trees :) You head out of Warren lane and re-join the A638 Bawtry Road
- You then return the way you came out through Bessacarr but sticking to the left hand side of the road.

On the final return section of the A638 just after Cantley Lane you are move onto the cycle lane / path and head back into the cycle track for your final section!!!

Spectators

We like to try to design our routes with a good balance of being great for the athletes (that's you) whilst also engaging the spectators and local communities. So here are some great places to be!

- The cycle track - great viewing for watching your runners in! (Coffee shop also very close!)
- In Bessacarr or Rossington along the run route . . . especially if you live there :)
- If you fancy a trip out then use the footpath alongside the Great Yorkshire Way and head up to the lay-by near the flyover (they'll appreciate the cheer here! . . . remember roads are closed and stay off the road when spectating. Ensure you travel in via the public right of way vs straight up the road, it's a fast road when open to motorists.

Presentations, Photos & Results

We will try to do the awards as we go at the finish area, this means don't run off if you think you may have won an overall or age group place! Please come along, cheer on your fellow competitors and listen to any news we may have about 2023's event!

Event Photos: We have lots of Photographers down on the day and the photos will be shared on Facebook and on our website. We also encourage you to share your own spectators photos throughout the day on our main Facebook page or email us a link.

Timing: The event is chip timed and the results are ready almost instantly on our website. We also have a split timing point at the half way point! . . . as always watch our Facebook page <https://www.facebook.com/curlysathletes/>

Prize categories (with trophies!): Team prize 1,2,3 (lowest total time of first 2 males/2 females from clubs). First 1,2,3 male & female. Team prizes take a little longer to calculate so these will be done towards the end of the event!

Keep up to date post event: <https://www.facebook.com/curlysathletes/>
