

# Run for YWP Foundation at **Doncaster Half Marathon** on 9th June 2019!

Together we can create a better world for animals.

## About YWP Foundation

Yorkshire Wildlife Park Foundation was established in 2013 and since then has fast become an influential voice in welfare and conservation. We've worked with organisations around the world on projects to help improve the welfare of animals, provide protection for endangered species and support vital research into the impacts of climate change on many species.

We've helped the conservation of all kinds of animals great and small from polar bears in Svalbard to critically blue-eyed black lemurs in Madagascar. We've helped giraffes relocate in Africa and protected black rhino in Kenya. We enabled 6 Bactrian Camels to be released into the wild. Last year YWPF supported a Rehabilitation and Rescue Reserve for brown bears rescued from Japan and funded enrichment and welfare improvements for animals at Hanoi Zoo in Vietnam. In fact, we have supported projects on every continent except Antarctica so far.

## Why fundraise for Yorkshire Wildlife Park Foundation?

- Help create a better world for wild animals – whether in the wild or in zoos around the world
- Raise awareness for a great charity and show what Yorkshire can do!
- Join our growing team of supporters of conservation and welfare
- Make a difference – all around the world

## How to fundraise

It couldn't be easier to raise money for YWP Foundation by taking part at the Doncaster Half Marathon. Simply sign up to race and go to <http://www.justgiving.com/fundraising-page/creation/?cid=251038&eid=5281051>

By fundraising for us YWP Foundation you are standing side-by-side with some of the world's most at risk species, helping to ensure these magnificent creatures continue to survive and thrive long into the future.

Help us to help those who can't protect themselves!
