

## We're here to help you grow your business

---

Are you looking for a partner to grow your business? LiftFund can help. We equip small business owners with capital and business coaching so you can take your business to the next level.

Together, with your goals and our insights, we can strengthen your ability to grow your business just like Linh's.

As an experienced and passionate manicurist, Linh Odom didn't want to work for anyone else. LiftFund was there to help her with the capital she needed to open Kosmo Nail & Hair Salon, and remained committed to her success as she grew her business and introduced new services. Today after eleven years in business, Linh has proudly built her business into a full beauty salon, employing a team of over 30 talented technicians.

"Without LiftFund, I would not have been able to expand," shared Linh.

LiftFund supports entrepreneurs like Linh every day, whether they need capital to seed and grow their business, or a partner to share the journey in learning how to improve their chances of succeeding.
