# SPECIAL FEATURES

## RATTAN FINISH

Polyrattan is a synthetic material made from plastic resin that mimics natural rattan. It's popular for outdoor furniture due to its durability and weather resistance, as it withstands various conditions without fading or cracking. Lightweight and low-maintenance, polyrattan requires only occasional cleaning. Its stylish appearance makes it suitable for both indoor and outdoor use.

## WATERPROOF CUSHIONS

A water-resistant cushion is ideal for outdoor patio sets. It offers durability against rain and spills, maintaining comfort and appearance over time. These cushions are easy to clean, enhancing aesthetics and allowing you to enjoy your outdoor space worry-free.

DURABILITY SET

# ESPRESSO GRANDSPACE DURABILITY SET

The Espresso GrandSpace Durability Set is a four-piece patio collection—two chairs, a three-seat sofa, and a coffee table—engineered with extra-deep, extra-wide seats that outclass most standard outdoor furniture for unparalleled personal space. Crafted from 100 % virgin high-strength resin with UV protection and water-repellent finish, it blends a realistic rattan texture with smooth, ergonomic arms for contemporary style and long-lasting performance. Plush 4"-thick luxury cushions with removable, machine-washable covers deliver immediate comfort, while the tool-free snap-together assembly system lets you set up in minutes without screws or hardware. Backed by a 1-year factory warranty, this set ensures both size and durability you can rely on.

## CONTEMPORARY DESIGN, FUNCTIONALITY, AND SUPERIOR DURABILITY

The Rattan Style Dining Set is designed to offer an elegant, comfortable, and highly durable solution, suitable for both indoor and outdoor use. The set includes a modern rattan-style table accompanied by six chairs—two armchairs placed at the ends and four armless chairs along the sides, optimizing space and providing greater ease of movement for users.

Crafted from high-density resin, this set stands out for its resistance to heat, humidity, UV rays, stains, and scratches. Its metal-free construction ensures a completely rust-proof structure, making it ideal for humid climates and extended outdoor use.

### Key Features:

- **Modern rattan-style finish, ideal for contemporary settings.**
- **Functional composition: two armchairs and four armless chairs for optimal comfort and flexibility.**
- **Made from industrial-grade resin, resistant to intensive use and all weather conditions.**
- **Central umbrella hole on the table with included cap.**
- **Suitable for both indoor and outdoor environments such as dining areas, patios, terraces, or gardens.**
- **Easy to clean and low maintenance.**
- **Excellent value for money compared to similar products on the market.**

# CORSA DINING TABLE

The Corsa™ 6 Seat Dining Table & Chair Set, finished in Espresso and white is ideal for indoor or outdoor use. The table & chairs are constructed from high-density, industrial resin, which is extremely durable as well as heat, stain, scratch, weather & UV resistant. The nonmetal construction also makes this set rust proof. Engineered for both longevity and versatility, the table legs feature adjustable levelers for enhanced stability and a center hole, perfect for inserting a patio umbrella (umbrella not included) to provide shaded comfort. Six chairs are included (2 with arms and 4 armless). Table and chair legs feature anti-slip feet for added safety. Durable & eco-friendly, table and chairs are also very low maintenance & easy to clean. This stylish yet casual set with a rattan style design, is perfect for any patio, terrace, balcony or dining space.
