

2025 Guild Challenge Contact Mary Pfeiffer with questions.

This year's theme is "**Shades of Color**". Choose your color and use shades within that color spectrum. If you choose material that has a pattern to it, all colors on that material need to fall within the same color spectrum. The number of ~~colors~~^{shades} is your choice as is the finished pattern.

All finished quilts are to be 30"x30" and are due at the March 2025 meeting.
